Director's Letter

It's the beginning of another car season. I hope it's better than last year. Every time I think the weather is getting spring like we get four consecutive cool days with clouds and rain.

We got off to a nice start this season with the Open House at CPR. My thanks goes out to Elsa and Frank and Hank. The morning of the event was a little iffy when I woke up to some sprinkles. The rain stopped and there were dry roads to the shop. I'm sorry for those who couldn't make it. If you were there you got to see the work that is done on those beautiful Cadillacs. They turn wrecks into master pieces.

I hope you can make it to our next gathering of car enthusiasts on April 27th. Just a reminder of our visit to Green Chimneys. The Buick and Oldsmobile clubs will join us again this year. We had a great time with them last year and I'm sure we will again this year. Plus there is a surprise for the club who has the largest turn out of cars attending this event. Both the Buick and Oldsmobile clubs are looking forward to joining us again.

EVENT ANNOUNCEMENT:

Saturday, April 27th, 10am—Noon.

Green Chimneys Show with the Olds and Buick clubs. Lunch available after the show.

400 Doansburg Road, Brewster, NY.

Open House, Cadillac Parts and Restoration. April 6, 2019

Thanks for Frank Nicodemus and Hank Miller for hosting an open house for all club members!

WANTED: Stories about your cars, new, old, or ones you shouldn't have sold or maybe ones that got away. Also restoration stories, stories about trips to car shows, auctions, museums, etc. Thanks! - *Editor*

Mecum Auctions: Your National CLC membership includes **one complimentary Standard Bidder pass, and a Guest Badge** (\$100 value) to Mecum auctions; there is *no obligation to bid and plenty of cars to enjoy*. The closest Mecum auction is July 21-August 3 in Harrisburg, PA. For more information on how to get a pass go to www.cadillacclub.org/page/mecum
