*Our current meetings don't seem right!
There's not a Cadillac in sight,
Not a rag top, nor a coupe;
It makes my feelings start to droop.*

*I miss the meetings, miss the food;
But mostly what affects my mood,
I miss my pals and all their news;
Not meeting up, gives me the blues.*

*If you're like me, YOU just can't wait
For us to set a re-start date.
So we'll be sad and agitated
'Til we all get vaccinated!*

*But now I have a wish for you;
Stay safe and healthy, happy too!
And one more thing I'd like to say....
Have a super holiday!!!*

Board of Directors Meeting Update

by Colin Christie, Board Member and Past President

As many of you may already know, DR has decided to step down from the presidency of our club at the end of 2020. On behalf of the Board of Directors and myself, I'd like to thank DR for his years of service. We are a stronger and more viable organization as a result of DR's leadership.

In response to DR's decision, the Board has met and unanimously approved motions to assure our club continues to function effectively.

- The Board voted to elect Gary Weaver as our new president effective January 1, 2021. Gary is currently our vice president and has been a very active member for many years.
- The Board voted to accept DR's offer to continue as the club Webmaster.
- The Board voted to invite DR to join the Board of Directors and continue to be part of the club's leadership team. DR has accepted the offer.

Change is often not easy, especially in these difficult times. However, speaking for the Board, I'm confident the club has a strong leadership team and will be in good hands under Gary's leadership. Please thank DR for his years of service and welcome Gary to his new role.

President's Message

Margaret and I want to wish each of you a very merry holiday. Regardless of who you are and what you believe, this is a time to reflect on this past year and plot a course for the next year.

I'm also taking this opportunity to let you know that I am resigning my position as President and Director of the Las Vegas Region of the Cadillac and LaSalle Club effective December 31st. The past four and one half years have been great. It's been a real honor and a privilege to served the club in that capacity. I have agreed to continue to serve as Webmaster with my friend Larry Rafferty. I've also agreed to continue to serve on the Board.

If I may? I'd like to take just a

few minutes to tell all of you how really special you are. Thank you for your friendship and thank you for all your help while I was President.

Speaking of help, I want to thank the other members of the board and send a very special thanks to Gary and Carolyn Weaver, Gary has agreed to step up and take over as President. He'll be great in that capacity. Honestly, I had so much help from members of the board and everyone in the club. THANK YOU.

So, I'm still here. If I can be helpful, please let me know. Thank you, everyone. I hope to see you sometime next year. DR
