Spring 2012

Volume 3 Issue 1

Regional Director's Letter, Spring 2012

The holiday party that we had back in January was a huge success. The food was very good thanks to the folks at Four Brothers Restaurant in Mahopac. The company and conversation were even better. It was very gratifying for me to observe how our club members all interact so well and to see the many friendships that have flourished over time thanks to members' involvement in the club.

The holiday party was not just all fun and games (and drinking) though, we actually got some club business done. The slate of officers was approved (no changes from last year) and Alyda and Henny Karreman previewed our new club shirts. Club shirts feature our "bridge" logo embroidered on the chest, with the option to have a name and/or an American flag added to the shirt. Please see the order

form on this newsletter.

The upcoming spring season represents the beginning of

another car club season and I strongly encourage all who are reading this to make a special effort to come out to at least one of our activities this year.

Our next activity is a club meeting and a tour of the Collector's Car Garage in Bedford, NY, followed by lunch at the home of Jim and Lynn Verraster. That is on Saturday, March 24th starting at 10:30am.

Please RSVP to me so I can give an accurate headcount to Jim and Lynn for snacks at the Garage and lunch afterward.

Other upcoming events:

March 31st: Shop tour at Automotive Restorers, Inc., Stratford, CT (New England Region CLC is sponsoring this. See attached flyer).

April 28th: 4th Annual NY/New England Inter Regional CLC Spring Meet at the CT Trolley Museum, E. Windsor, CT

May 20th: Mystery tour and BBQ at the home of Butch and Karen Lindemann. (This is also the date for the Saratoga Auto Museum Invitational Show featuring Cadillac).

See you down the road!

Dave Rubin
