Kudos. I would like to thank all the club members that made the month of September a bit special.

- ♦ Mike and Joan Conforti Kicked things off with a getting a great turnout to the fun Montera Meadows Charity car show . If you missed it they had great food and music and a lot of cars!
- ♦ Larry Rafferty for all his help with the Sept 20th show We had 16 Classic Cadillac's in the Sun City Summerlin Classic Car Show At The Mountain Shadows Classic Car Show.
- ♦ For those members whose cars were shown I thank you this was a great show and we thank you for coming out to this event.

Holiday Party Time! It's already that time of year to start marking your calendar for the holidays. Inside this edition of the newsletter you will find the Holiday Party and Toy Drive information. We will be back again at the wonderful Las Vegas Country Club on Sunday December 6. If you have not joined us in the past for the event, you really should attend.

The club covers most of the cost for members and it is a beautiful location We usually have the Country Club almost to ourselves and parking is a breeze. It is also classic Las Vegas and goes well with our Classic Cadillacs and LaSalle's. It is a great night for all.

Grand National. A special thanks to all that are working on the GN. A special thanks to Carolyn for all her work with the national on the registration form and planning. The registration information will be in the October Self Starter.

As Always, John (JB)

Those Are Some BIG Tires!

Automatic Brakes in Your Future? You Betcha!

Check out the Car Talk Web Site! Listen on KNPR!

A semi-serious note from all of us here at Car Talk Plaza. We drive a lot of test cars, and this technology really works. We've said in the past that every single car should have this. Apparently, NHTSA, and a bunch of carmakers now agree. If you're buying a new car anytime soon, make sure you get this. It's going to save a lot of lives. Not to mention a lot of embarrassment for people who were reading a text while plowing into the back of cop car. Why are we telling you this now?

This technology has come a long way, and this week, a large group of the world's most prominent automakers has agreed in principle to make automatic braking (often called mitigated braking in automotive circles) standard equipment across the board on all makes and models. Want to know more about this important safety feature?

Go to: <http://www.cartalk.com/blogs/staff-blog/automatic-brakes-become-standard>

2016 Grand National April 12-17

Have you marked your calendar? The week will be quite an event and the chance to meet Cadillac people from all over the world!

Hotel Reservations.

Make reservations NOW for the 2016 Las Vegas Grand National at the Suncoast for great rates. Use the code A6CLC04 at 866-636-7111 OR <http://www.suncoastcasino.com/groups> Do not use the regular hotel web site

It is a lot of fun to stay at the host hotel. You don't have to drive back and forth each day and you make a lot of new friends. Think about reserving a room today!

Volunteering.

We will have the opportunity for everyone to pitch in for a few hours during the week or a few hours every day. Start thinking now what will work for you. See the next page for more information.

LMK: Let Me Know Where You Need Me

Grand National Volunteering

We don't need to know if you want to volunteer just yet, but we are getting a lot of people putting their name on the list. Not sure what fits for you? Maybe these mini job descriptions will help you decide. You can volunteer for as little as a few hours or all day everyday. It is up to you. Scheduling will be finalized a couple of weeks before the GN.

Mini Job Descriptions

Auction on Wed. Help with set up
Cars and Show Field: No judging involved! Set up the show field and drive the cart Saturday on the show field with water and be a sag wagon
Driving Tour: On the Tuesday we are going to Valley of Fire and need a couple of coordinators to go with the group
General/LMK: No preference? We need people that can just help where needed; it may be run and pick up balloons or just fill in where someone did not show
Hospitality: Staff the suite during the hours that it is open and be sure that there are plenty of supplies and act as a Las Vegas Host/Hostess
Information Desk: Staff the information desk during the day and answer questions about the GN and Las Vegas; we will have supplies at the table for you.
Judging: You will need to sign up through the national and attend a training class and breakfast on Saturday. See Judging Seminar info.
Parties/Meetings: Assist coordinator with set up and/or take tickets at the door for welcome reception and banquet
Registration: Assist Registrar with check in
Tours: Travel with the group on the bus (free tour) and count noses to be sure everyone returned

Want To Volunteer?

Please let us know what area you are interested in and days available. The registration form is with the October Self Starter and will be available on line and will also have a spot to volunteer.

The Last Word Susan Story's New 53 Cadi!

- The dead batteries were given out free of charge.
- I know a guy who's addicted to brake fluid. He says he can stop any time.
- "Surely every car is a people carrier?"
- Two fish in a tank. One says: "How do you drive this thing?"
