## From the President: Cadillac Friends:

It's been a little quiet this summer so I hope to see you at the **meeting on 9/26**. Please look at the survey and return it regarding an expansion of 2024 CTTY (Cadillac Weekend 2024) either by email or bring it to the meeting. We need it back by Sept. 30. Check out the holiday party info on this page—I hope to see you there. We had a great time at the picnic at Atomic Motors and looking at all the Cadillacs at the Speedway Children's Charities Indoor Car Show.

A couple of reminders:

Don needs an RSVP by this Thursday if you are going to participate in the Basic High School parade as outlined on the next page.

2024 Cadillac Weekend (Including Cadillac Through The Years (CTTY)  
This is to have input from you the membership on the expansion of the Cadillac Through The Years (CTTY) to a weekend that the Western Region/National end, other Cadillac & LaSalle Club members can attend. At the Grand National, several indicated they would come if more to do. Also there are not a lot of national events on the west coast for the next couple of years. In an effort to keep our expenses low, there would be no formal host hotel (see suggested hotels below) and meals would be purchased by the individual. Events would make it easy for meals. There would still be CTTY as we have always done.
