Auto replacement glass for classic cars, trucks, and exotics.

Classic Fit. Classic Style. Classic Quality.

Classic Fit.

Specific glass for specific needs.

When only the right part will do, that's the time to call on Pilkington Classics. From our inventory of over 52,000 parts, we have the ability to match auto replacement glass for specific makers and models of classic vehicles and exotic automobiles.

Pilkington Classics...

new name, same service.

For those who know us by the name GlassSearch, the move to Pilkington Classics may represent a change, but it's a change only in our desire to serve you better, not in our people or resources.

Classic Style.

Date coding that makes the difference.

When you order from Pilkington Classics, you can enjoy the added benefit of having your glass replacement parts sandblasted with the original LOF logo and date coding. The process is simple: Give us your LOF logo requirements, and we'll do the rest.
