1ST Annual NTXCLC Chile Cook-Off

By Rubye Musser

Photos by Lifer

Despite the rain putting a slight damper on our Chili Cook-Off and not having the bulk of our members in attendance, it turned out to be very successful with lots of fun. We gathered our chili pots and other food items at the St. Mary the Virgin church meeting hall in Arlington, Texas and had a fine time eating, socializing, and talking cars.

Charlie Gambolos took first place, and Gerry Terranova won second, with Rubye Musser a third place of the six entries. And we had some delicious desserts like coconut cream cake, lemon pie, and peach cobbler. You really missed some thing if you weren't here.

Visitors from Florida, Nick Terranova, Kim, Izzie and Gloria and others from the church sure enjoyed visiting with the 20 or so members. Next time we hope more will attend this nice facility. The club donated proceeds to the restoration of the church. Thanks to all. See y'all next year.

Cadillac – LaSalle Club - Gulf Coast Region Tour of the Mitchell Collection

Montgomery, TX – 3/17/12 - Clear skies and moderate temperatures welcomed the members and guest to the show facilities of Irina and Richard Mitchell, our host for our monthly club outing. We were joined by friends with the Houston Buick Club to tour one of the most interesting classic car collections to be found anywhere.

Upon arriving, our host in one of his most favorite marques greeted us in a 1918 Stutz that was weathered but nonetheless, completely road worthy and in top running condition. For a true and pure driving experience this is one of the Mitchell's favorites.

Upon arriving at their (3) show/storage barns -that is, if you call 72 degrees and a floor you could eat off of, a barn - Well, you get my drift, after all just look at the cars! Our attention was directed to the stable of fine classics arranged in such manner that we could get complete access to view and photograph these fine examples of some of America's most sought after collector cars.

The collections includes (6) Packard's, (4) LaSalle's, (3) Stutz Bearcats, (2) XKE Jaguar's, a pristine '57 Baby Bird, '32 Lincoln V-12 Dual Cowl Limo, and a stunning '30 Roll Royce Phaeton with a documented ownership by Hollywood great .. Marlene Dietrich.

The collection featured three one-of-a-kind vehicles and my favorite was an incomparable '30 Stutz 'M' Supercharged Lancefield Coupe. This car features unique design trademarks, including; low and streamlined 'gun turret' tops and 'Helmet' wings, a retractable roof and tear-drop step plates replacing the more conventional running boards. A long-stroke, supercharged Straight 8, which turns this elegant specimen into a 'stump puller' for sure! No lack of torque here on this 'right hand drive' vehicle.

Rounding out the collection is an equally pristine '30 Rolls Royce Phaeton in Kelly Green w/metallic metal flake paint that was spectacular. For the more whimsical aficionados, they too had their favorites; including, a '33 LaSalle 345 Convertible/Pickup ... believed to be the only one in existence. Another one-of-kind astounded our group when Richard cranked up a world war vintage Allison (12) cylinder aircraft engine rated at 1,250 HP, which is installed in late '40's Roadster, which he is in the process of re-bodying. We also enjoyed the fine cars our guest drove to the event and all had a great time.

Special Wedding Request For A Classic Cadillac

To members of the NTXCLC,

My name is John Blatchford and I am a member of the National CLC and the Northwest Ohio Chapter. I need to ask for your assistance in locating a classic Cadillac that may be used for my son's wedding. My son Brett Blatchford, is to marry his fiancée Ms.Kaci Bollinger of Frisco, Texas in downtown Dallas on June 2, 2012.

The purpose of the car will be to have someone drive them from the wedding reception at 11 PM to the Omni Hotel in Dallas. The car does not have to be a convertible, just a classic Cadillac. Preferred colors would be white, red, light blue or light yellow. They are planning a "Grand Exit" at 11PM complete with a walk through a tunnel of people holding sparklers. There would be no beverages in or near the car. They take a couple photos with the car and the two of them ride from the "Annex" in downtown Dallas to the Omni Hotel in downtown Dallas. explained to Brett and Kaci how much care is provided in owning and loving a classic Cadillac!

He met his fiancée in Frisco 8 years ago as a senior at Frisco High School. He moved to Texas as a senior in high school to play hockey for the Texas Tornado Junior A Hockey Team. He was very successful with the Tornado contributing in bringing three consecutive national championship titles to the Frisco team. After his time with the Tornado, he went on to enjoy four successful years playing for the University of Notre Dame. He then went on to a year of pro hockey and decided that he wanted to get into a career and marry his fiancée.

Brett and Kaci are a very nice young couple deserving of a wedding to remember and I absolutely thought a classic Cadillac would be a nice touch. They are looking for a convertible with fins preferably. They have left me in charge of this endeavor and I am hoping you can be of assistance in this matter. Please give this some thought and contact me at your convenience.

Thanks very much for your help!

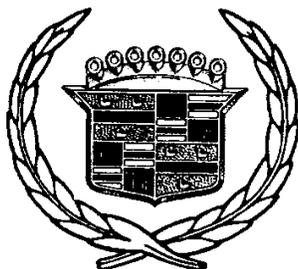

Very truly yours,
John Blatchford, 7025 Jackman Road, Temperance, Michigan 48182

THE CADILLAC & LaSALLE CLUB MUSEUM AND RESEARCH CENTER BENEFIT AUCTION

We want to take this opportunity to extend a personal invitation for each of you and your friends to join us for the Second Annual Cadillac La Salle Club Museum and Research Center live auction benefiting CELEBRATING THE STANDARD fund raising effort. A hundred per cent of the proceeds from this auction go directly to the building fund for our new MUSEUM AND RESEARCH CENTER at Hickory Corners, Michigan. This live auction will be comprised of those donations of significant value from individuals and regions throughout the Cadillac La Salle Club and will be sold at about 8:00 PM, Wednesday, June 13, 2012, at the conclusion of the Welcome Reception at the Grand National Meet at Saint Augustine, Florida.

The ballroom at the Renaissance Resort at the World Golf Hall of Fame Village offers a wonderful venue to showcase our auction donations and have a high octane, fun filled evening.

We have challenged each CLC Region to make a donation to this worthwhile event and, at this writing; the Peach State Region, the Missouri Valley Region and the Las Vegas Region have stepped up with their share. Do give serious thought to donating goods or services which do not have to be automotive related, just something our members could use.

If you have a question or need help getting your auction donation to Saint Augustine, contact CLCMRC President Paul Ayres at payres@flash.net or Auctioneer Richard Dormois at cadseventyfive@earthlink.net. SAFE TRAVELS

!!!!!!IMPORTANT NOTICE!!!!!!

For the first time in its history The Cowtown Cruisin' for a Cure Car Show on September 15, 2012, will have LIMITED space for show entries. New office building construction will start in downtown Fort Worth on the Sundance parking lots between 3rd and 4th streets and Commerce to Houston Streets after April, 2012.

The NTXCLC wants to make a good showing, so we need your commitment to show your cars there. We need at least 15 –30 shined up Cadillacs (and LaSalles) to get a favorable location. The show runs from 10 am to 3 pm (we get there around 8 am, do a club breakfast, and set up our cars). The registrations begin in April and the required donation is \$25.00. This will get you a T shirt and a goodie bag that is worth at least that much.

So come on and get into the “swim” in this one. Contact me, or Neil Jefferson, or Ron Fishell and get us your check (make it out to NTXCLC for \$25.00) and commitment right away. Lets make the know that our Cadillac cars always brings some class to an otherwise disorganized, but very important event.

Johnnie Bills Sr.

NTXCLC wishes to extend our sincere sympathy to the Bills Family. Johnnie Bills Sr. has gone to meet with the Lord. He has been ill for several months. Johnnie Bills Sr. enjoyed his Cadillacs for many years. From the stories told he deeply loved life and his family. Sr. was a very skilled back hoe operator in the area. One of his projects was Parkland hospital. Johnnie Bills Jr. can tell and did relate lot of fun shared times with his Dad. The memorial service was held in Ennis. We offer our condolences to the Bills family.
