President's Message

Hello Cadillac Friends.

There is a lot of important information and things happening this month and before it gets too hot.

15th Cadillac Through The Years (CTTY) is Sunday May 1, 2022. It has also been declared Las Vegas Cadillac and LaSalle Club Day by the county.

Please pre-register to make it go smoothly. This will not only save you some money, but it will help the registration team. For those of you whom have still not registered remember you can bring your paperwork (or go online thanks to DR R) and bring your registration fee to the meeting on Tuesday April 26.

Check out the next page for everything that you need to know including a map. The registration form is on the next page. Just a reminder, even if you preregister, please be sure and check-in for your car number and swag.

CTTY Volunteers: We can still use a few volunteers—see what you can do at check-in to help or contact me directly—parking, registration, the club booth, and judging.

CTTY Volunteer Coordinators:

Registration—Carolyn W

Membership—DR/Margaret Rawson

Parking—Jared Carrillo

Judging—Dan Dione

Thanks for all your help. A special thanks to Don W for pitching in where needed.

Thank You Findlay Cadillac. After a successful meeting with the new GM at Findlay Cadillac, Eman, I am happy to report they are still with us as our sponsor and have donated generously to support our club. A special thanks to Don W for going with me to the meeting. Don't forget to get your new Cadillac from Findlay or have your current one serviced.

Town Square. Our CTTY meeting with Town Square went great and everything is ready to go.

V Club. I was able to meet with the Chapter and Chapter Director of the Cadillac V-Club and invited the club to CTTY. We even went for a run to Blue Diamond for lunch. With luck we will see a number of Cadillac Vs for the show.

Cadillac Kings have indicated they will attend as they have in the past. We look forward to seeing them after couple of years.

Paula Bloss. On a sad note, Dan D let me know that Paula Bloss had passed away. Many of you will remember her as the club greeter and Rich-

ard Bloss' wife. If we find out about services we will let you know. Here she is with HER Cadillac.

As promised, learn about dwarf cars and other things in the newsletter. Save the date July 4 for the Summerlin parade—more to come. **Special thanks to Parade Master _ Don W** for St. Patrick's Day Spectacular and all he does.

I hope to see you next Tuesday, April 26 for the meeting. Don't forget to register for CTTY. Above all, Drive Your Cadillac.

If anyone has any suggestions or questions, please let me know. Always enjoying hearing from you.

Everything You Need to Know About Cadillac Through The Years

Questions? Gary Weaver, President, CTTY Coordinator 702-219-2839 Text or Call lvCadillacClub@gmail.com

Registration: You must register your car by the end of the meeting on Tuesday, May 26 for the \$25 registration fee. You may also do it online and bring the form and fee. Please register so we know how many and cards can be made for the show. Day of the show registration is dependent on space available and \$30.

Show Check-in. You will need to check in for the show to receive your number and swag. It will be in the lot across from Guitar Center off of Sunset Road (north side) from 8:30 to 10:30 a.m. After 10:30, please go to the club booth in front of Coffee Bean & Tea, across from the green. If you prepaid, you still need to check in and get your swag and number.

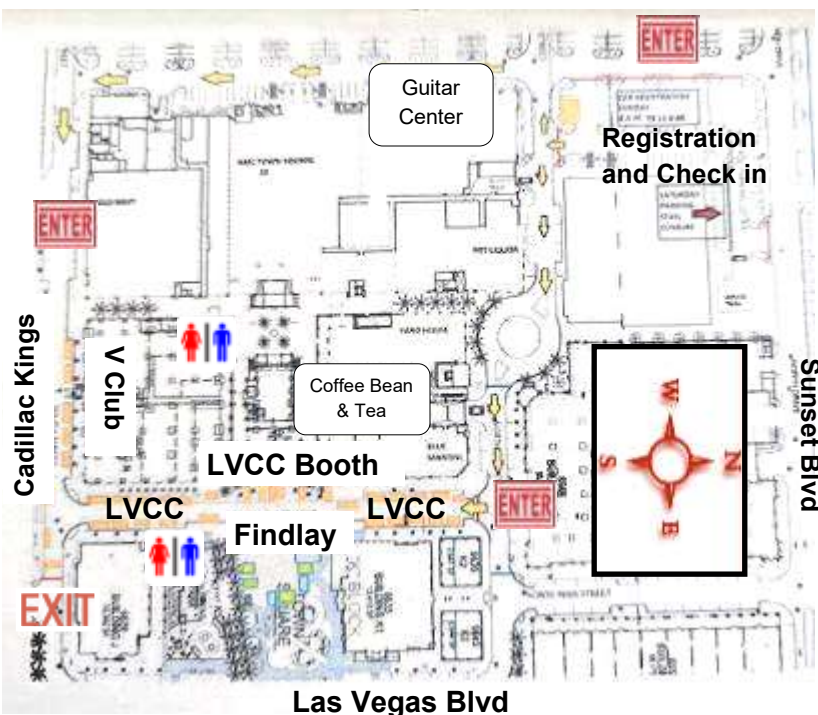

Show Field. If you have been to CTTY before, the planned layout is the same except there is no parking on the green. Las Vegas Cadillac Club/Guests Parking: "Main" street across from the

green. The Cadillac Kings and Vs clubs will park on the south street.

Parking. Please DO NOT park without direction from parking staff. They will let you know when to move onto the show field from the check-in area. Please wait for assistance—we would not want your Cadillac to get scratched or have to move it after parked (There are fire code requirements that must be met). Once parked, unless an emergency, plan to stay all day (It's a safety issue). All cars will exit the southside.

 **Awards.** Did I get picked for an award? Watch for a bright red star on your Cadillac. It should be on your Cadillac no later than 2 p.m. Awards are at the booth at 3 p.m.

Logistics:  Restrooms Food: Lots of options; we will have donuts until they run out. Whole Foods and Coffee Bean and Tea are open early. Sickies Garage is new and great car theme.

President's Road Trip Continues

Resuming last month's road trip story, After leaving YUMA we traveled toward Chandler Az. On the way we stopped by what we said was on "Radiator Springs" road or the **Dwarf Car Museum**.

History of the Dwarf Car Museum. Ernie Adams had a fascination with cars starting back in grade school. He would admire the cars of the time, drew them for

school assignments and even built a wooden car as long as a crate box with steering and peanut butter jar lids for taillights. His mother would pull him throughout his hometown of Harvard, Nebraska.

The first Dwarf Car came to life in 1965 as a 28 Chevy two-door sedan made out of nine old refrigerators. Ernie began gathering the materials for this little car in 1962. By 1965 he had enough materials and an 18 hp Wisconsin motor to begin construction. With a homemade hacksaw made from a chair frame, hammer and a chisel, Ernie began construction. He had no idea what this would be the beginning of. Because this is the first Dwarf Car ever built, it is known as "GRANDPA DWARF." This first Dwarf Car is kept in running order and is still driven today.

After leaving the Dwarf Race Cars, Ernie had learned a lot about bending and shaping metal. He loved to see heads turn in admiration of the Dwarf Race Cars while being towed down the highway. Ernie knew it was time to change and put his metal shaping skills to the test. Now he wanted a fully dressed Dwarf Car with fenders, chrome, finished interior and most of all street legal and the Dwarf Car Cruiser was born.

This was a fun stop for mor information go to DwarfCarPromotions.com.

During our stay in Chandler, we visited the Arizona Railroad Museum. This was a wonderful little museum with both indoor and outdoor exhibits. Well worth the stop.

Our last major stop on this 1500-mile trip with trains, planes, boats and automobiles was in Phoenix at the new/relocated **Martin Auto Museum**. Talk about beautiful and Cadillacs everywhere. A few are below.

Created in 2005, the Martin Auto Museum is the brainchild of owner and founder Mel Martin. Mel saw a need to share a collection of vehicles that represent significant periods in automotive history. After 12 years of operation, Mel had more vehicles in storage than he did in the museum! It was time to move to a bigger building. In March of 2022, the new and improved Martin Auto Museum and Event Center opened.

IPOF—Injured Officers Police Fund Show

Wow! What a win

7 out of 8 Cadillacs took a trophy at the IPOF. There were over 250 cars. We knew you were good and it showed this year. Thanks to all who participated and to Don and Dan for the pictures. Hopefully more of us can participate next year. Findlay Cadillac was one of the sponsors, just in case you did not know it. It was held in Boulder City on the grass.
