COFFEE, ICE CREAM & A GRAND NATIONAL CLUB SUMMER PICNIC AT THE SLINN LAKE HOUSE

Cadillacs gather at three different June events: Cars and Coffee, an Ice Cream Run, and the CLC Grand National.

RETURN OF CALLAREMI CARS AND COFFEE

By Bob Schles

Photos by Rob Harriman

On Saturday, June 6th, several members met for "Cars and Coffee" hosted at Callaremi Cadillac in Bud Lake, NJ. The weather was just spectacular; a great opportunity for those with convertibles to put the top down.

There were cars representing four decades, from the 1940's to the 1970's. Sarah and Bob Schles brought their 1947 5-Passenger Sedan, Steve Calandra had his 1958 Chevy, Rob Harriman came with the 1963 Coupe DeVille, Paul De Ghetto with his 1968 DeVille Conv, Joe Fontanazza brought his 1970 DeVille Conv, and Dave Pretino came with his 1977 Eldorado Coupe.

Callaremi Cadillac could not have been a nicer host. They provided the coffee and donuts as well as the opportunity to drive a new 2018 Cadillac. See pages 8-9 for photos and watch the newsletter for the next "Cars and Coffee" event.

MONTVALE DAIRY QUEEN ICE CREAM RUN

By Lois Harriman

Thursday, June 21, was a beautiful evening for a ice cream cruise to the Montvale Dairy Queen. So Rob and I invited our niece KayDe to come along and enjoy the evening riding in a Cadillac. She grew up helping us clean Doris, our 1963 Coupe DeVille. She was quite excited to join in the fun.

What a beautiful ride, GREAT ice cream and good friends and new ones to get to know. The cars are always spectacular, as you can see from the photos on Page 10. Those who came out were: Bob and Sarah Schles with friends Janice & Chuck ('64 Conv.), Rob & Lois Harriman with KayDe Shabrack ('63 CDV), Bill & Lucille Marcy (Chevy custom truck), Steve Calandra ('58 Impala), Dick Bankart ('95 Sedan), Bill Slinn ('77 CDV), Mike Cascio and Mike Sr. ('78 CDV), Kevin & Jen McGovern ('84 Seville), Richard Paley ('76 Fleetwood Brougham).

CCNJ REPRESENTATION AT THE CLC GRAND NATIONAL

The 2018 CLC Grand National was held in Central Texas on June 5-9, and several representatives of our North Jersey Region visited the Lone Star State to enjoy the festivities. Attending CCNJ members included Rob and Lois Harriman, Michael Cascio, Bill and Liz Estes, Sal Santoro, and Bob Walton.

Lois has shared a report and fine photos of the GN; see pages 3-6.

CCNJ CLUB PICNIC SET FOR JULY 22 AT THE SLINNS

Bill and Laura have again volunteered to host the club picnic at their lake house at 2 PM on July 22. It will be necessary to RSVP for the picnic. See Page 7 for more details.

July 2018

Hello Fellow Members,

This summer is officially here. It's a great time to be out and about enjoying your Cadillac. But before you take your classic out on that summer drive be sure to check the fluids and monitor the temperature gauge. The cooling systems in older cars may not be as efficient now as when they were new. We've been stuck more than once in our '47 Cadillac when it overheated. After having that experience one too many times I pulled out the radiator, had it flushed and pressure tested. While the radiator was out being worked on, I flushed out the rest of the cooling system. The car now runs much cooler.

Last month, in case you missed them, there were two club events I just have to mention. Cars and Coffee at Callaremi Cadillac and the very popular Ice Cream Run at the Montvale Dairy Queen. Both events are a great way to socialize with fellow club members. You can see pictures and read about the events in this newsletter. Also in June, the Cadillac Grand National was held in San Marcos, Texas. Several of our club members made the trip to Texas. They enjoyed the event along with fellow Cadillac enthusiasts from around the world. If you have the opportunity to go, the 2019 Grand National will be held in Louisville, Kentucky. You'll see some pictures of the 2018 Grand National starting on the next page of this newsletter. I hope to see some of you there next year.

Magnificent Beyond All Expectations !

When a new Cadillac car is imminent on the American motoring scene, it is usually expected that the car will be dramatically advanced in every way.

But no one, not even Cadillac owners themselves, was fully prepared for the magnificent new Cadillac which you see pictured above.

But then, how could anyone have anticipated a motor car as beautiful to behold as this newest "car of cars"? Its graceful new lines and its inspiring new silhouette are simply without precedent.

Or how could anyone have foreseen a motor car of such rare luxury? Its interiors are beautiful and gracious almost beyond belief.

And how could anyone have predicted a motor car so brilliant in performance? Its new power, responsiveness and ease of handling are without counterpart even in Cadillac's glorious past.

We suggest that you pay your Cadillac dealer an early visit for a personal demonstration.

Come with your hopes set high—and you'll still be pleasantly surprised with this latest of Cadillacs.
