Where the Cars are the Stars

The Most Fun You Can Have With Your Cadillac!

## President's Message

**Online Car Show.** Our Online car show was a huge success. By now, all the winners have their cash awards, participation certificates, and suitable for framing award certificates. There was a lot of interest from all over the world (5 countries) and lots of the US. About 25% of the cars were local, so thank you for your participation. Visually, it was great fun. Watch for the article in the Self Starter and a recap in this newsletter.

**Board Meeting.** We have just concluded our monthly Board Meeting as I write this. The central topic and theme: What can we do to keep our members engaged until we can all get together again. It is rough when you can't just sit and talk with someone you care about. Here are a couple of things we are doing as a club:

- **Sunshine or Birthday.** Speaking of caring about, we are starting a new Sunshine section where we'll also report those that are ill or just need a little smile or a birthday wish. Just respond to the mailing on this newsletter if you know someone who needs to be added to the list.

- **The Cadillac Connection Newsletter / eBlast.** The Board also decided that you need more ongoing Cadillac in your life. So to keep you engaged and in the touch, the plan is you will be getting a newsletter on the 2nd and 4th Tuesdays (Virtual Meeting). Have a story or something to add or share, just respond to the newsletter email.

- **Activities: The 15th Cadillac Through The Years** is being scheduled for next spring 2021 so keep that Cadillac ready to go. **4th of July Parade** is still a go as

of today. **The Club Picnic** is scheduled for Sunday September 20th. **Club meetings are on hold**, on a month-to-month basis—May will not be held. Stay tuned.

Did you ever think you'd appreciate (like never before) the simple act of getting in your car and go somewhere fun? I'm not talking about the supermarket. Don't get me started on that process. These are challenging times, but we should all know that we can count on each other. If you need me, I'm right here. Stay safe everyone.
