President's Message

Hello everyone.

It is that time to keep in touch with each of you.

Board Meeting. We've just concluded another Board Meeting for our club. We want you to know that we are trying to think of ways in which we can involve more people without doing the same old thing, pre-quarantine. It is a challenge. The Board would like to invite you and solicit your ideas. This is where participation would be really helpful for everyone. Just email or call me.

June Meeting. There will be no formal meeting in the month of June. We're taking this one month at a time to ensure your safety. Please be patient with us. I will talk to you again in a couple of weeks at our virtual "zoom" meeting.

Website. I am in the process working on a completely new website. More modern and more in keeping with what sites are doing and providing today. Hopefully, this site will be even easier to use than the current version.

We truly appreciate each of you. Please be safe. If I can be helpful, please let me know.
