President's Message

Hello.

Virtual Club Meeting: It's time for another virtual club meeting, virtually. Last month, we had people show up that had told me, "I don't know how to do that." I have included in this message detailed info just for you. There they 13 of us were. Let's go for at least 20. We sincerely hope you'll be there on Tuesday the 25th of this month. The meeting actually starts at 7:00 p.m. Several have asked if we could have some social time. Absolutely. We're going to open the room for social time at 6:30 pm. You can "arrive" early.

Now, what's in it for you? We have two or more things to offer at each meeting. **First.** there will be a drawing (not a raffle-nothing to buy) for a woman's or man's Cadillac Club Polo in your choice of color. This is sponsored by Brave Marketing and our club. **Thank you Dave Leash.** **Second.** We are also tracking attendance. Next month, the board will decide how to reward those that have attended faithfully. Stay tuned.

Below, while a bit long but spot-on is how to get in on our Zoom social time and meeting or join by conference call. We miss you all. We hope you can attend.

Till then . . . please, be safe out there.
DR

Joining the meeting/meetup

1. Put it in your calendar or set your alarm to remind you of the meeting
2. Look for an email invitation with these instructions the day of the meeting or use info in this newsletter

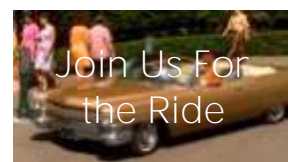

3. Have a computer or phone with a camera. You can also join without a camera or turn your camera off and see everyone else. Go to ANY web browser like Chrome, Safari (Apple), Explorer (Windows), etc. Paste/type the following into the space where you put the destination (URL line) like this:

us02web.zoom.us/j/4693925391

(You'll notice that the web address is blue and underlined. This means that you can click on it and it will take your right to the meeting)

IF you have never done Zoom, it's easy and fun. A small piece of software will install itself that allows your camera and microphone in your computer to turn on. This only happens the first time you use Zoom. Audio and video activation/controls are in the bottom left of the screen when on DR's screen picture)

OR Call In: If you don't want to Zoom meet with us, you have another option. You call into the meeting. The club has its own Conference line **508-924-5530** this will allow you to hear (but not see). I will do my best to ensure that your voice is also heard by everyone in the meeting.
