President's Message

President's Message
5/26/2021

Typical Toledo area weather--it went from winter to summer in a span of about two weeks. Now that the beastly hot weather has passed, it's time to get down to some serious enjoyment of the old car hobby. The first post-pandemic car show that I attended the first weekend in May was just a local area gathering, but it really was great to be attending a car show once more. If I have learned anything from the pandemic, it is to get to things rather than procrastinating to some future time, as one never knows what the future might hold.

Thanks to Phil and LaDonna Compton for planning and leading another excellent tour in this year's Spring Crank Up Tour. I didn't realize that the southern part of our Northwest Ohio Region had so much history dating back to before the advent of the canal system in Ohio. I should have paid more attention in junior high history class.

Next up is the Ypsilanti tour on Saturday, June 5th. Our itinerary (see flyer) starts with an optional breakfast at Bob Evans Restaurant in Dundee, MI., then the actual tour begins at the Yankee Air Museum in Ypsilanti. We then visit the Ypsilanti Automotive Heritage Museum, the Side Track Restaurant, and finally the Michigan Firehouse Museum. The last three attractions are within walking distance of each other. The tour has no registration fee or upfront costs. You pay separately at the door for each attraction. Details are in the flyer. I do need to provide each place we visit with an accurate headcount in advance, so please RSVP to me if you plan to attend, which events you'll be participating in, and the number in your party. I also want to thank Ypsilanti area member Steve Quinlan for tracking down the people in charge at the various attractions because the pandemic caused "we're closed" recordings on answering machines.

It is with sadness that I note the passing of CLC member Kennidith Turner of Dayton, OH. If you have been a CLC member for a long time, you recall seeing Kenni, as she was known, at any number of local and national CLC events over the years. Kenni would bring her 1955 Cadillac station wagon while husband Wayne would bring a different Cadillac. Their children would often accompany them and grew up over the years of car show attendance. Kenni was something of a trailblazer as she brought her own car to show, long before that was commonplace for wives to do so. Our condolences to Wayne and family.

I also note the passing of CLC National Board member Bob Crimmins. Bob served as the CLC Publications Committee director and as the CLC Chapter liaison. I had occasion to work directly with Bob some 20 years ago when I ran the Cadill-Ikes Chapter that I started in 2001. Bob was an asset to the CLC and will be missed. Our condolences to his family.

I'll see you on the Cadillac road.

Meeting Minutes

Cadillac & LaSalle Club/Northwest Ohio Region Minutes of May 12, 2021

The American Table restaurant in Perrysburg was the site of our May meeting. Fourteen members were in attendance, with six Cadillacs driven.

Bill Shepherd presided over the meeting:

- Bill recognized the death of a long-time CLC member Kennidith “Kenni” Turner from Dayton, Ohio.
- The committee continues to work on a Grand National presentation to bring to the CLC Board.

Andrew Shepherd presented the treasurer’s report: The current balance is \$4,319.05. He has also sold some shirts.

Nick Warn reported on up-coming activities:

- The Summer Ice Cream Social has been planned for Tuesday, July 20th to the Speed Trap Diner in Woodville, Ohio – the intersection of US20 and SR105.
- The August picnic at the Wasylyshyn home on August 14th will be sponsored by LaRiche Cadillac in Findlay.
- Bill Shepherd shared more information on the Ypsilanti Tour on June 5th.
- Phil Compton handed out directions for the Spring Crank-Up Tour scheduled for this coming Saturday. At this time, 17 vehicles have signed up. The weather looks good.

Mark Wasylyshyn reported that we have 39 regional members at this time.

Al Haas reported about the CLC museum:

- The Museum Board will be meeting this Sunday by Zoom.
- Both the 1967 Sedan DeVille and the 1979 Brougham have found new homes.
- Al also spoke about billed sheets from Allied Vaughn and the G.M. Heritage Museum

Other non-CLC car gatherings:

- Mark Wasylyshyn reported that the Findlay, Ohio Car Tunes on Main will be August 7th. LaRiche Cadillac has invited our club to show our cars there.
- Perrysburg on Friday nights is on across from O-Deer Diner.
- There is a drive in around the square Every Tuesday evening in Milan.

Our next Region meeting is scheduled for Wednesday, June 9th, at 6:00 at the American Table restaurant in Perrysburg. Hope to see you all then.

Respectfully submitted, Philip Compton, secretary

Meijer

2111 E Wooster Street
Bowling Green, Ohio 43402

Ice Cream/Dinner Place-
SpeedTrap Diner
310 E. Main Street
Woodville, Ohio 43469

We will meet in the parking lot of Meijer in Bowling Green near the gas station, where members can fuel their cars or get a beverage of their choice for the scenic route through beautiful Wood County, Ohio. From the Meijer parking lot, we will head east on Wooster Street, turn left onto OH 105, and head north through Pemberville until we get to Main Street in Woodville where we will turn right and end up at Speedtrap Diner. We can sit in the diner and have dinner and ice cream at everyone's discretion. I am estimating about an hour here. From Speedtrap Diner, I would like to continue on Route 105 to Elmore where we can find a parking lot and get nice photos of all the club members' cars who attend. There are many areas of opportunity for this in Elmore. I hope everyone who attends brings along an empty stomach and a positive attitude and is ready to enjoy our Cadillacs and the comradery that goes along with these great gatherings!

If you need any further information please contact Nick Warn at 419-690-9230.
