## 30TH ANNIVERSARY FALL SHOW IS A GO CATCHING UP ON A BUSY SEPTEMBER

*CCNJ members enjoy the many car shows and events held in late August and throughout September*

### CCNJ 30TH ANNIVERSARY FALL SHOW SCHEDULED

By Tony Albarella

Let's face it, friends, 2021 has been an incredibly challenging year...for our members, personally, and for the club as a whole. We endured the passing of a few members and key allies, the loss of our home base (The Fireplace Restaurant), and more recently, historic flooding within the state. Not to mention the very consequential fact that the world is still reeling from the effects of COVID-19 and deciding how, and when, it is safe to mingle with humanity again.

For a while, it seemed our popular fall show would be yet another casualty of this challenging year. But seemingly at the last minute—although these things don't happen overnight, they require a lot of legwork and preparation—Lois and the other members of the board finalized plans for our 30th Anniversary Fall Show.

It's being held a bit late, on

November 7, but in recent years we've encountered comfortable weather well into December, so with luck we'll enjoy warm temps.

The Fall Show is being held at what is seemingly our most popular spot: the State Line Lookout at Palisades Interstate Park in Alpine, NJ. The scenic view of the Hudson surrounded by the New York backdrop is always a crowd-pleaser, as is the impressive lineup of classic Cadillacs we typically draw, poised majestically along the cliff top.

So check out the pre-registration form on Page 7, fill it out, mail it in, and join us as the club marks three decades of classic Cadillac celebration with our 30th Anniversary Fall Show.

### ACTIVITES GALORE FEATURED IN THIS ISSUE

By Tony Albarella

As life continued to rebound from the pandemic and outdoor activities became the focus, late-summer car events took center stage. CCNJ members were involved in many of

them, and in this issue we have coverage of several car shows enjoyed by our friends.

First, dating back to late August, we have a quick peek at our club's summer picnic, found on Page 8. A report on our September Cruise-In can be read on Page 3, and detailed coverage of a veteran's show is laid out on Pages 4-6. Finally, Pages 11-14 highlight the wonderful Shook Funeral Home Car Show, held in conjunction with the Clifton Fall Festival.

In between all this event coverage, we have another great article by Bill Marcy and a few key show flyers. There was so much to cover, in fact, that for this month I had to skip an installment of our 30th Anniversary retrospective, a photographic column that I've run every other month this year. It will return in the next issue.

I want to thank the contributors who provided photos and reports this month: Rob and Lois Harriman, Bill Marcy, Anthony Vanacore, and Frank Simone. Great work, folks!

Hello Fellow Members,

Here we are, at October, 2021, but don't pack your car away yet. We were able to get a date from the Palisades of Sunday, November 7, to have our fall car show. See the registration form in this newsletter on Page 7.

Also, note our club meeting date of Thursday, October 14, at 6:30 PM at the Shake Shack in Paramus. Have a bite to eat, and then nominations will be taken for next year's board of directors. ## September Cruise-In at The Shake Shack

Unfortunately, the September 9th cruise-in, our test run at the Shake Shack, was a bit of a bust. This was through no fault of the location but simply due to circumstance. With the closing of our decades-long usual spot, The Fireplace Restaurant, we had a last-minute scramble to arrange a location and let members know about it. Additionally and even more significantly, the weather was not conducive to a cruise; throughout the dreary day, it either rained or threatened to do so at any minute.

Anthony Vanacore and Dave Carney braved the elements to make the trip, and Anthony was kind enough to share this photo of their respective Cadillacs at the Shake Shack cruise. Thanks, guys!

We'll all try it again at the Shake Shack on Thursday, October 14, for our October meeting...and hope for better weather! See the last-page schedule for details.

# VETERANS MENLO PARK CAR SHOW

## NJ Veterans Memorial Home in Menlo Park, NJ

### Sunday, September 12, 2021

by Tony Albarella

At the invitation of AACA member Abe Platt, who chaired this car show for our retired veterans, I headed over to Menlo Park on the warm and sunny morning of Sunday, September 12. When I arrived I was pleased to see that the turnout for this Antique Automobile Enjoyment Event was high; there must have been over fifty cars of all makes and eras, as well as a few military vehicle displays.

I was also pleased to find that some CCNJ buddies—Jerry Panaccione, Dennis Ragucci, and Frank Simone—had met up in Union to car pool down in their gorgeous Cadillacs (Jerry's '62, Dennis in his '60, and Frank with his '41). It was great to hang out with them at the show and to know that they traveled so far south for this charitable, mid-Jersey event. I also ran into and caught up with CCNJ/RRR member Ted Mandalakis and RRR member Greg Roser, who brought along their own Cadillacs—Ted drove his 1964 CDV Convertible, and Greg had his 1990 Brougham d'Elegance.

Lunch was served to the vets, their attending family members, and those of us who brought cars to display, and we enjoyed the tunes provided by a DJ, Italian Ices, and watching the memories flood back as the older members of the home examined our cars. Those cars were varied and gorgeous, as you can see from these photos. Three awards were handed out and for some unknown reason, my 1959 Thunderbird was awarded Best in Show. Since the judging was by Peoples' Choice, I suppose the flashy looks of the turquoise 'bird caught the eye of many spectators, but I felt a little foolish accepting the award amongst a field of show cars that included such remarkable, majestic classics in pristine condition.

Abe had another retired-community show scheduled for September 26, but unfortunately it was canceled. I encourage members to attend such events whenever they pop up; sharing and showing our cars is never more rewarding than when it makes the day of a home-bound senior citizen who remembers the days when our classics were commonplace.

## Friendly Advice

When selling a car, whether it is a daily driver or a classic, there are several things you may have never given much thought about. This is understandable, because many people don't sell their own cars. As you may know, I spent fifty years active in the used car business, both buying and selling. Here are some things to consider that you might find helpful:

- \* **Pricing Your Car Accurately** We all want to get the most we can get for our cars. However, in the real world, this is not always possible. Most of us tend to rate our car's condition higher than it really is. If you think your car is in number 1 condition and it is really in number 2 condition, you will be overpriced. Be realistic about your car's condition and price it accurately. Don't be confused by the ridiculous prices you see people asking. Remember, asking is not selling. You can ask for any price you want, but will you find a sincere buyer?
- \* **Honesty** Don't be afraid to describe your car's good points as well as its flaws. Most people really appreciate honesty, and it makes them feel comfortable with you.
- \* **Negotiations** We all like a deal, right? People like to negotiate, so don't be offended. If someone is negotiating, it means they have interest. We all do it, so expect to negotiate.
- \* **Showing Your Car** Be aware of who will be coming to your house. There are lots of wonderful people in the world, but there are bad people, too. If someone is coming, get their name and phone number. Never meet a stranger alone, have someone with you. It is the old thing about security in numbers.
- \* **Selling On The Internet** Many cars are sold over the internet; it is very common that people will buy cars they have not seen in person. We live in the internet age. There are many reasons why internet sales happen frequently, mostly because of convenience. Don't fear the internet, but be careful. Be clear and concise about every aspect of your car, so that your buyer will be happy when their new purchase arrives.
- \* **Getting Paid** Obviously, in an in-person sale, cash is the best. But, for large amounts of money, a bank check or a bank wire transfer of funds is better. Remember, a bank check can be bad, so you need to call the issuing bank to verify the check before you release the car or the title. Whenever I sell a car over the internet, I insist on a bank wire transfer. Once your bank tells you the funds are in, you are all set. This usually happens in less than a few hours.
- \* **Your Comfort Level** If selling your own car is not your thing, you have several options. You can sell your car to a dealer, or trade it towards your next purchase. You can also consign your car to a dealer. You can keep your car in your garage and hire a reputable broker to sell it for you.

I thought I should write this article as a means of sharing my knowledge, with the hope that it might benefit our members. Most recently, Eric Merring, son of the late Ken Merring, thought he had sold his dad's beautiful 1958 Cadillac convertible. He had a buyer send him a bank check for the full price of the car. Eric thought the car had sold until his bank informed him the check was stolen. Luckily, this fraud was caught in time.

Remember, there is no Santa Clause. If it seems too easy, or too good to be true, you must do your homework to ensure that you have received the funds...*before* you release the car, the keys, or the title.

# SHOOK FUNERAL HOME CAR SHOW

## In Conjunction with the Fall Festival in Clifton

### Sunday, September 19, 2021

**Text by Lois Harriman, photos by Rob Harriman and Frank Simone**

What a wonderful day! The weather was picture-perfect. This year the Cadillacs were parked, diagonally, on Van Houten Ave. The rest of the entries parked in the lot around the building. What an array of cars! Everyone made a donation to help out Saint Peter's Haven in Clifton instead of an entry fee.

The food was great, the day wonderful, and time spent talking to and making new friends made for a worthwhile day. Those from our club who came out were:

**Roy & Nancy Garretson (1942 Cadillac Limo, 1930 Packard Limo) \* Lou Filardo (1978 Limo)**  
**Paul DeGhetto (1968 DeVille Convertible) \* Mike Schiff (1966 DeVille Convertible)**  
**Bill & Lucille Marcy (1975 Fleetwood Brougham) \* Rob & Lois Harriman (1963 Coupe DeVille)**  
**Frank Simone (1941 Limo) \* Dennis & Denise Ragucci (1960 Coupe DeVille)**  
**Joe Mortell (1986 Rolls Royce Silver Spur)**

New friends to the club:

**Michael Franchini (1999 DeVille) \* Daniel Marolla (1954 Fleetwood)**  
**Dan Calabrese (1978 Coupe DeVille)**

Special congratulations to Frank Simone, winner of the Matthew Grabowski Award, and Rob and Lois Harriman, for winning the Saint Peter's Haven Award.

It has often been observed that Cadillac and LaSalle owners drive their cars a great deal farther, year for year, than the average motorist. There are two reasons why this should be expected. Cadillac and LaSalle are noted for their extraordinary stamina and dependability; hence they are the logical choice for active, busy people who must crowd each day with accomplishment. But perhaps a better reason is the fact that Cadillac and LaSalle perform so beautifully—are so delightful and refreshing to drive—that there is always the temptation to take the wheel and go somewhere.
