## VANACORE VISIT TO AACA HERSHEY MEET "AFTER THE HOLIDAYS" DINNER HELD NEXT MONTH

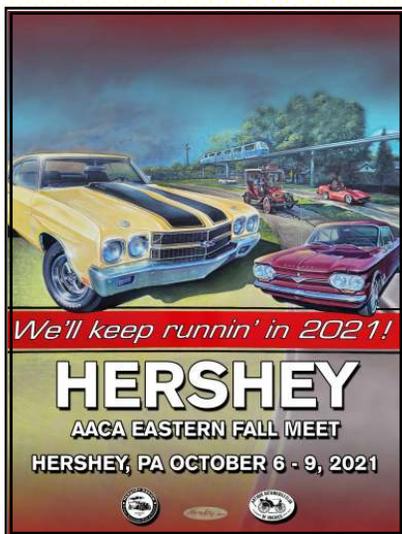

*Classic Cadillacs and Cad parts for sale at the 2021 Hershey AACA Eastern Fall Meet in Hershey, PA*

### OUR NEW DIRECTOR REPORTS ON HERSHEY

By Tony Albarella

Back in October, Anthony Vanacore sent me an excellent report on a trip to Pennsylvania to attend his very first Hershey AACA Eastern Fall Meet. As anyone who has attended can tell you, a multi-day Hershey meet is something to behold, both in scope and sheer size.

Anthony included a great selection of photos from his visit.

Since our newsletters of late have been packed, I held his report until now. Please enjoy it on pages 5-10.

While on this subject, please note that without any events or activities, our newsletter can get a little sparse over the winter months. It's tough to generate new content for this monthly publication, especially with our classics in hibernation.

If you have anything to share with members, now would be a great time. Attended any car shows or events in 2021, and have a few photos? Any stories on how you obtained your car(s) and/or the work that's been done on them? Know of any suppliers or parts sources you can recommend? Send anything you have to me. Your fellow members, and your newsletter, will greatly benefit from your experiences.

### OUR SOLE WINTER EVENT HAPPENS NEXT MONTH

By Tony Albarella

Please remember that our annual "After the Holidays" club dinner

will be held on February 27, 2022. Bill Marcy has taken the time to arrange the dinner for us, and we'd love to have you and anyone you care to bring along join us at this popular club event.

Meeting at The Brownstone (351 West Broadway in Paterson, NJ), we'll enjoy a first-rate buffet dinner, a visit with friends, awards, music, our tricky tray, and more. If you can, please bring along an item or two to enter into the tricky tray, which benefits the club.

Cost is \$35 per person and everyone is welcome. Make checks payable to CCNJ and mail them to Bill Marcy, 349 Lookout Ave., Hackensack, NJ 07601. If you have any questions, reach out to Bill directly at 201-342-4871.

Dear Cadillac Club of North Jersey,

**M**y name is Anthony Vanacore, and I am humbled to be the new director of the Cadillac Club of North Jersey. I have been a Cadillac enthusiast for as long as I can remember. I have fond memories with my dad, Joe, who took me to car shows as a little kid. I remember attending shows at Brogan Cadillac in Ridgewood, along with going to Dairy Queen meets and parades. I became more acquainted with the club through my close friend, Phil Greco, for which I will always be grateful.

I have always had a passion for old Cadillacs and there is always something new to learn, whether it be how to install new speakers on a '63 convertible, or restoring original wire hubcaps on a '76 coupe. Working on these cars has always been a fun hobby for me and getting involved in the club has been nothing more than a privilege.

As director, my goal is to carry out the standard responsibilities and increase membership and participation. I hope to take my Cadillac family into a more modern era so that we can get together more often, taking advantage of computer applications that help us be more connected and make club information more accessible. If anyone would like to get involved, feel free to reach out to the club email or club phone! Drop a line, we can talk cadillacs, and I'm all ears to any suggestions anyone has for the future!

Your Director,

*Anthony*

# AACA HERSHEY MEET

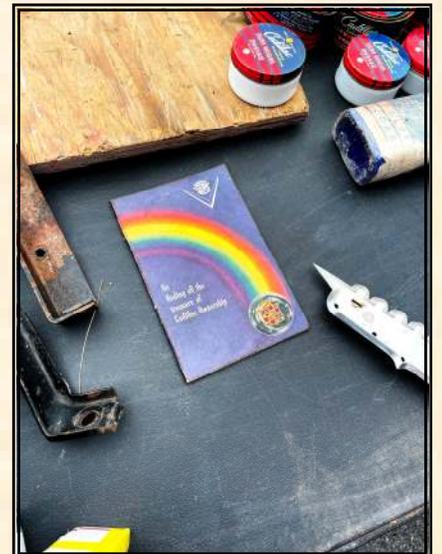

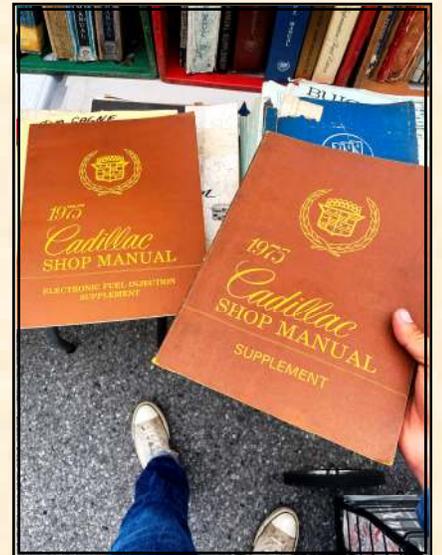

by Anthony Vanacore

After many years of being hounded by Mike Cascio, this year I finally attended my first AACA Hershey Meet. (Ed. Note: this event was held on October 6-9, 2021.) I went with my girlfriend, and we drove down Tuesday night. We arrived at the swap meet Wednesday morning at 8:00 AM and scored thirteen cans of R-12 below market value! (I plan on using these on some of my father's caddies so we can enjoy some ICE COLD air conditioning.)

The two of us walked the entire field and came across tons of Cadillac parts and memorabilia. I collected a few hubcaps, some emblems, and found some NOS dealer brochures. Once I got home, I noticed the brochures were originally mailed to Brogan Cadillac of Ridgewood! The whole experience was tons of fun, and here are some pictures of the caddies I found on the field.
