## President's Message

Dear Cadillac Friends:

**4th of July**—What a great turn out for a “cool” parade. The news reported over 50,000 people. Thank you to all that participated. A special thanks to Don W for making it happen. Lots of pictures inside.

**Hal / Grand National / Albuquerque 2023** – Congratulations to Hal on his win at the Grand National and thanks for representing Cadillac and the club.

Speaking of Grand Nationals, the information to reserve your hotel room in Albuquerque has been sent to you and is in the newsletter. I highly recommend if you think you are going, would like to go, please reserve your hotel room before they are completely booked. It is fun to stay at the host hotel. I am planning on going and have my room. I hope many of you will consider going. It would be a great club event and close to us.

**Sympathy wishes to Betsy Davenport of the CLC SoCal chapter** on the recent loss of her husband Jay.

**New President / Regional Director** Welcome to Ronnie Hux the new national president and Kevin Belinski our new regional director that lives here in Las Vegas.

**CTS—Cadillac Under The Sun/Picnic Sunday November 6 10-1** Please save Sunday November 6 (yes I know it is the day you get an extra hour of sleep for day light savings time ending) for our Cadillac Show and picnic at the American Legion in HENDERSON. We will make a donation to the American Legion like last year. It will be free to members and \$20 for nonmembers. Lunch is included. It should be a fun time. Thanks to Chuck B for all the arrangements.

**I hope to see you at the meeting next week at Dean's place.**

**Gary Weaver, President** If anyone has any suggestions or questions, please let me know. I always enjoying hearing from you. Call or Text: 702-219-2839 or email at [lv-cadillacclub@gmail.com](mailto:lv-cadillacclub@gmail.com)

### RIP Jay Davenport—You will be missed! Condolences to Betsy from the LVCC

If you attended CTTY in the last few years, you will remember their 1961 Cadillac Sedan DeVille. In August 2003, Jay and Betsy bought a 1961 Sedan de Ville that had recently come out of storage after thirty years with only 40,000 original miles on it. The car ran, the body and chassis were straight, but it needed lots of TLC. After six years of loving restoration and lots of patience, they had an award-winning "stock" vehicle.

## THINGS TO DO IN ALBUQUERQUE

### Ballooning

Albuquerque is known as the Hot Air Ballooning Capital of the World, and it's easy to see why with the clear blue skies, calm winds and mild climate. Balloon rides are available year-round for a once-in-a-lifetime experience.

### Sandia Peak

Take a mile-high ride above the city on North America's longest aerial tramway aboard the Sandia Peak Aerial Tramway. Marvel at the endless views of the Land of Enchantment from the top of the tram or from the restaurant Ten 3.

### Route 66

Route 66 runs through the heart of Albuquerque along Central Avenue. This historic highway is still a jumping off point for transportation and home to eclectic shops and unique restaurants. Don't miss the new Route 66 Visitor Center located on the Westside of Albuquerque.

### Flamenco

Albuquerque is considered the Flamenco Capital of North America. Here, you can see world-renowned dancers, guitarists, singers and percussionists perform year-round. Enjoy a traditional flamenco show at Tablao Flamenco in Hotel Albuquerque or Casa Flamenca.

### Native American Culture

New Mexico is home to 23 Native American tribes including 19 Pueblos and three Apache tribes. Visit the Indian Pueblo Cultural Center as the gateway into hundreds of years of culture with authentic dance performances, various museum exhibits and the delicious Indian Pueblo Kitchen restaurant.

### Cuisine

New Mexican cuisine is based on native ingredients such as corn, beans, squash and chile, and it incorporates Mexican, Native American and Spanish flavors. Chile is always the most important element. In fact, our official state question is, "Red or green?" Our state cookie is the biscochito, a small anise-flavored cookie brought to New Mexico by the early Spaniards. Beyond New Mexican food, the culinary scene in Albuquerque represents cuisine from countries all over the world and other American regions.

### Unique Museums

Albuquerque has many museums to visit. The Unser Racing Museum honors New Mexico's own racing family, the Unsers. Visit the Turquoise Museum to learn everything about turquoise, including hands-on exhibits and a large collection of natural turquoise. The National Museum of Nuclear Science & History examines the history and science of nuclear development.

### Driving Tour to Santa Fe

Less than an hour away, Santa Fe is the perfect day trip from Albuquerque. There will be a special driving tour to Santa Fe that you can participate in. More details will be announced soon.

### Historic Old Town

Historic Old Town has been the heart of Albuquerque since the city was founded here in 1706. Today, Old Town is the city's cultural center, with numerous museums and more than 100 shops, galleries and restaurants.
