Celebrating 20 Years!

Our 20th Anniversary celebration took place on Saturday, April 30th, 2022 at Joe Puleo's Garage in Wall Township., NJ. A wonderful gathering in an unforgettable venue!

Reflecting on our Past Twenty Years By RRRCLC Region Director, Ted Mandalakis

Wow, 20 years! Congratulations to the Raritan River Region for reaching this milestone.

I can't believe it, as I have been around for 19 of those years. My first event with the club was pre-membership when I decided to take my '64 Deville convertible to its first show at Clinton Cadillac. It was a nice June day in 2003. I had purchased the car the September prior and knowing how much work the car needed I thought I would head out and meet some like-minded people. Boy did I! First two people I met at registration were Ray Koziol and Patrick Caruso. Both were so welcoming and non-judgmental as they looked at my car. Pat had the enthusiasm of a fourth grader as he shared information about the new Raritan River Region Club, reciting the names of the founding members. They handed me applications and directed me to my show spot. I met Bob Rankin as our cars being sequential years were parked near each other. Again, Bob was welcoming as we chatted '63-'64.

I met others that day, but the person that stood out was Bob Crimmins. Bob came over with a big smile introducing himself and welcoming me to the show. He looked at my car and said, "You know that's not an original color and those are aftermarket seat covers as convertibles in '64 had leather only." I shared that I knew that and hoped to bring the car back to original in time. He smiled and kept chatting, going off into a car story involving a similar vintage car. I am not sure he ended with a dirty joke, but the odds are good that he did. If I got this much enthusiasm and entertainment at one event, I figured I needed to join and see what else was in store. As has been said, the rest is history.

Some interesting club facts: we have been led by seven directors, held events at four Cadillac dealerships, held club meetings at four primary locations as well as restaurants, parks and members' homes, articles written by club members have been published in the Self Starter arguably more than any other region members since our existence (thanks CaddyCrim), and have won many national awards for the club as well as individual vehicles at Grand Nationals. Our members have also been active at the region and national levels.

These facts speak to our longevity and the talent of our membership but what is as important to me is the character of our members and the CLC in general. The adage we have heard many times that we came for the cars and stayed for the people rings true. I have met so many wonderful people that I call my friends now, people willing to help you with your car questions and beyond.

A sincere thank you to Grace and Bob Gluck, who created two huge four-sided photo montage displays featuring their club photos taken over the past twenty years!

Reflecting on our Past Twenty Years

By RRRCLC Region Director, Ted Mandalakis (continued)

Personally, my car would not have been restored anywhere near the level it was had it not been for the support of RRR members (thanks Ralph, Joe, Andrew). I have attended several Grand Nationals and people I have not seen in years are friends instantly. I am grateful I found this group, and appreciate what the RRR has provided me.

Our club and club life in general continues to evolve and even decline a bit as membership does not appear to be valued as it once was. As I shared, RRR membership has been a wonderful experience for me and for many. Let's continue to share our experiences with others and learn what is important from others that we may adopt into the RRR. This way, we can continue our legacy of the Raritan River Region and meet more great people!

By 2 PM, the celebration was underway at Joe Puleo's Garage!

Jeff purchased and put together the party favors, got our new T-shirts and took care of our registration, Bob and Grace Gluck wowed us with the beautiful photo walls that were a huge hit and of course Joe and Rita Puleo merely offered up their wonderful facility, arranged for our always entertaining musical performer, Bob Marino, ordered our food and beverage, hired help, got our paper goods and set up/hosted the party!

Thank you many times over, Joe, Rita and everyone mentioned above!

That's a '53 Eldo on the right in Joe's Texaco Station!

Many of our attendees traveled to the event in their collector cars!

Artist, Rita Trapani, presents our host, Joe Puleo, with a framed example of her artwork.

Tom Pirog presents Joe with this very appropriate '59 fins artwork.

Grace and Bob Gluck's photo montage included a respectful tribute to RRRCLC members who are no longer with us.

Old Business:

The planning for our 20th anniversary celebration at Joe Puleo's private collection on April 30th is in the final stages. Ted has been calling members to remind them to register. There will be a driving tour before the celebration. We will meet at the Shore Casino in Atlantic Highlands at 11AM, with the party following from 2 to 6PM. Group photos will be taken at our meeting place before we depart. Nick reported that the tour is a rain or shine event. Each registered guest will receive a 20th anniversary mug, pad, pen, and candy. Anniversary T-shirts in gray with our logo have been ordered, and will be sold at the party for a reduced rate. We have approximately 60 paid party reservations to date, with 20 cars signed up for the tour. Joe will order the food from a local Italian pizza restaurant the Monday before the party. The food will be delivered at 3PM and served at approximately 3:30. There will be 3-4 entrees plus vegetables and potatoes. We may purchase cheese & crackers appetizer trays. Tables, chairs, paper goods, and beverages will all be prepared by Joe. There will be soda and water, wine and beer, and coffee. We will either have coffee pots or Dunkin Donuts coffee. The anniversary cake will be ordered from Costco or ShopRite. Grace and Bob Gluck have a surprise prepared for the party. Joe will hire two people to help with the set-up and clean-up so our members can enjoy the party.

Fanwood, NJ Memorial Day Parade

Story and Photos: Greg Roser

Here are some photos of our Cadillacs in the Scotch Plains - Fanwood NJ Memorial Day Parade.

My wife, June was driving our 1976 Sedan deVille, and our friend Betty Allen was driving our 1990 Brougham d'Elegance. Their passengers were members of the Scotch Plains - Fanwood Historical Society.

I was driving our 1972 Chevrolet Monte Carlo, and June's brother Stan Boho was driving our 1992 Mercedes Benz 500SL. For the first time ever, all four cars made an appearance at the same event!

There were a total of 25 cars in the parade, a great turnout!

On April 8th, I had the opportunity to attend my first Barrett-Jackson auction, which took place at the Palm Beach County Fairgrounds. The three-day event toppled Palm Beach auction records with \$60.7 million in total sales!

I was a lot of fun walking the car corrals and seeing so many great cars!

My friends and I also spent some time in the auction itself, and that was quite exciting! Here are photos I took of some of the beautiful cars up for auction.

Gentlemen: I am relatively new to the club, and before I could become even a bit active, the pandemic hit.

When this is done, I hope to meet you all and enjoy your cars. Please consider: I am also a Rolls-Royce enthusiast, and for over a dozen years, have contributed to their magazine. More than once, car owners cooperated so I could photograph classic cars in front of NYC landmarks. I have already started writing and photographing for the Self-Starter. Any chance one of you would like to take me in your classic to NYC for a Self-Starter article? I hope to get to make your acquaintance.

TOUR OF TWO PRIVATE CAR COLLECTIONS

Saturday, July 16, 2022

On Saturday, July 16, 2022, we will meet at the Cadillac Corral (Joe's Garage) located in Wall Township, NJ at 9:00 AM to start our tour. Our host is Joe Puleo, who is a member of several car clubs including the NJ Region AACA and the Raritan River Region Cadillac LaSalle Club. Joe welcomes us to tour his collection and will provide us with coffee, bagels, and pastries for a light breakfast as we look at his collection of antique vehicles housed in a beautiful building which includes automotive displays such as a gas station, café, etc. After a couple of hours to mingle, ogle, and socialize, we will hop into our vehicles and drive over to Sea Girt, a 10 to 15 minute drive, to visit with John Shibles, who is a member of the Classic Car Club of America (CCCA). John's collection includes approximately 15 mostly pre-war classic automobiles. Those of you who went on our tour of Steven Babinski's restoration shop approximately three-years ago saw John's red 1939 Lagonda V-12 Drophead Coupe named Lipstick in the shop. I had the opportunity to see Lipstick on display at the Hershey Concours D'Elegance later that year and to speak to John about his car collection.

Please arrive on time and if the weather is favorable, please drive your antique or show vehicle. There is no Rain Date for this event, so drive modern if there is inclement weather. WHATEVER THE WEATHER MAY BE, DO NOT MISS THIS OPPORTUNITY.

To VFR and Surrounding CLC Regions:

For those who are not familiar, Radnor Hunt Concours d'Elegance is an annual concours car event that takes place at Radnor Hunt Club in Malvern PA. They are celebrating their 25th year. Funds raised by the annual event benefit the Thorncroft Equestrian Center, an equestrian / horseback riding facility that specializes in therapeutic riding sessions for physically and mentally disabled children and adults. "Cadillac" is one of this year's features classes. This year's three-day event takes place September 9-11. Details of the event can be found at: https://radnorconcours.org/

One of the organizers contacted me, advising they are particularly intersted in 1967-1970 Eldorados for a special, themed display they are planning this year. If you own a concours-level 67-70 Eldorado, please contact Dave Hutchison dhu-tch53@gmail.com and provide him details and a few photos of your car.

For the rest of us Cadillac owners, below is the link to the Radnor Hunt Concours "car nomination form". If you are interested in having your car considered for inclusion in their concours event, complete and submit the nomination form.
