President's Message

Dear Cadillac Friends:

It has been a busy month and a lot of our members are collecting a lot of hardware as you know. It was a great 16th Cadillac Through The Years (CTTY). Because there are so many cool pictures, a separate "newsletter" with just CTTY has been sent to you. It has been a great spring, it has even been cool weather wise, and hope to continue to see so many of you at so many events. We added 11 new members at the show! A special thanks to Findlay Cadillac, the Nevada SPCA, Town Square, the volunteers and all of you that brought a Cadillac to make the 16th show a great success. I hope to see you this coming Tuesday at the regular meet up.

The Last Word

Four engineers get into a car. The car won't start.

The Mechanical engineer says:
"It's a broken starter".

The Electrical engineer says:
"Dead battery".

The Chemical engineer says:
"Impurities in the gasoline".

The IT engineer says:
"Hey guys, I have an idea how about we all get out of the car and get back in".
