From The President: Dear Cadillac Friends:

- Kevin Bielinski: A special thank you to all who were able to make the funeral here in Las Vegas of our regional director, Kevin Bielinski. We were able to meet up also with a few of our national friends. Sympathy to his family and Julie.
- NVSPCA: Special thanks to all that are bringing pet needs (food, etc.) to the meeting. Don't forget to save those sheets, towels, etc. and pick up that extra bag of pet food. You can bring them or a donation to a meeting at Findlay or Cadillac Through The Years event on Sunday April 28.
- Findlay Customs: Carolyn and I had a chance to go meet Vince Argentine, Parts and Service Director. He will be at our next meeting and we added them as a stop on our CTTY weekend. The shop is just east over the freeway next to Findlay Toyota (Henderson). I let him tell you about all the services. It is scheduled for our big weekend in April to stop by.

- Standards of Excellence Academy—Findlay Automotive Technology (ASE): It's been a busy month for new things with the club. I had a chance, thanks to Colin Christie, to research an opportunity for a donation to scholarship fund for automotive technology. The club will be making a donation this year to the school (approved by the board). Need more info? www.soelv.org

- Next Meeting: March 16: Yes I know it's St. Patrick's parade day but we are still meeting at 2 p.m. Just make it a Cadillac day! See you at Findlay Cadillac on the 3rd Saturday at 2 p.m.
- LVCC Monthly Breakfast: 2nd Tuesday, 8 a.m. at Steiners on Buffalo/Vegas Dr.
- IPOF: I hope to see you there! The club and the Mob Museum donated some great items to silent auction.
- 25th Anniversary and Cadillac Through the Years: It has been such a busy month, but I do not know how I could have almost forgotten. Cadillac Through the Years is expanded for a whole weekend. We have invited all the western region and check out the ad in the Self Starter. The registration form has all details. If you plan to come, please return the form so we have enough room and food for events. You can always pay the day of the event. I am looking forward to seeing all of you.

Most importantly, drive your Cadillac! Gary Weaver, President

Our club was invited to an event at the Pinball Museum on the Strip. Here are pictures of the cars that attended. Participants received the pictures below in 16x20 prints.

The Mob Museum—St. Valentine's

The Hoodlums of the LVCC and our friends from the police department had a great day at the Mob Museum just like last time celebrating the museum's 12th anniversary. The machine guns from the St. Valentine's Day Massacre were a hit. It was a little chilly and we were in a new spot. The space was great! The next free day, Nov. 15 also falls on a Friday! If we get invited back for Kefauver Day, Nov 15, we'll have room for more Cadillacs than before! Check out the display!

In The News

Ex-Dean Martin 1969 Cadillac Eldorado Custom Sport Wagon (photo via Donington Auctions)

Before the Escalade, several companies offered coachbuilt Cadillac wagons to cater to wealthy car buyers looking for added utility. American Sunroof Corporation (ASC) offered its own Eldorado station wagon in the early 1970s, while Traditional Coach Works Company had the Castillian Estate Wagon, based on the Fleetwood Sixty Special Brougham sedan. These conversions were expensive, though, so only a handful of each were made. The Dean Martin Eldorado was

exported to Australia by an enthusiast with a penchant for American cars, but was later sold and neglected, according to the auction listing. Consequently, while it still runs, it needs some mechanical and cosmetic work. The estimate is between \$25,000 and \$35,000, in Australian dollars. That translates to between \$16,350 and \$22,900 at current exchange rates.

Restored Cadillac Limo Is, Once Again, The Longest Car In The World: Video BY SAM MCEACHERN – MAR 14, 2022

Source: gmauthority.com/blog/2022/03/restored-cadillac-limo-is-once-again-the-longest-car-in-the-world-video/

If some of these names sound familiar, check out [Hollywood Cars and Liberace Garage here in Las Vegas!](#)

The comedically long Cadillac limo originally built by Hollywood car customizer Jay Ohrberg has once again staked its claim as the world's longest vehicle after a lengthy two-and-a-half-year restoration process. Michael Manning, the president and director of Autoseum in Mineola, New York, purchased this 100-foot-long Cadillac limo roughly eight years ago after he found it rotting away behind a building somewhere in New Jersey. The limo in the 1990s was dubbed 'The American Dream' by Ohrberg. It featured amenities like a hot tub and a helipad.

After winning the limo in an auction, Manning teamed up with Mike Dezer, owner of Florida-based car museum and tourist attraction Dezerland, to have the vehicle restored. While the vehicle utilizes the actual frames from six different Cadillac Eldorados, the extended middle section is a custom-made ladder frame that required various repairs and reinforcement. The Guinness Book of World Records re-measuring the recently restored Cadillac limo and re-certifying it as the world's longest vehicle at 100 feet and 1.5 inches long. Check out the Guinness World Records video on the newly restored Great American Dream limousine in the source link above. [Thanks Cecilia C for idea!](#)

The Funnies

Sure enough, it worked!
