I'd like to begin by thanking our Board Member at Large, Dave Schumann for organizing our Egyptian Barbed Wire Pizza Tour last month. We had a healthy turnout of 21 members and guests. While I've been to the Egyptian Theater before, they have clearly continued to invest in the restoration and upkeep of the facility. The history of this theater is very interesting considering that its construction was interrupted by the Great Depression. In many ways, I am surprised that it was even finished. One of the theater's weak points was its washrooms. Since the last time I was there, they have constructed new ones, and they must be the some of the fanciest ones I have ever been in. For those of you who are washroom connoisseurs (in case there is such a thing), this is the place to be. And you can take in a show while you are there, though that won't occur inside the washroom (hopefully). After our tour of the Ellwood Museum, we were off to Old School Pizza. Thanks to Elaine Link for that suggestion. While the service had some challenges, the pizza was fantastic!

Since we were headed out to DeKalb, I decided it would be a good moderate distance trip for my '59 Sedan Deville. The trip didn't last more than a quarter mile when the horn sounded and wouldn't stop. That was partially my doing. During a previous repair, I damaged the horn switch. Not prepared to spend the \$50 for a replacement, I taped up the wire and left it. Unfortunately, I didn't tape it up good enough, and it wouldn't shut up. Turn around, go home, and unscrew the cap. Five minutes later we're on our way again until..... A good bumpy road brought the problem back again. For the second time, we pull over. This time I leave the cap off so that I can access the wire. No more problems and the car ran good all the way to DeKalb. However, it wouldn't last. Upon leaving the Egyptian theater, we had to drive about 4 blocks to the Ellwood Museum. Once there, I exit the car to a familiar hissing sound and notice a puddle of coolant developing on the ground. A similar sequence of events stopped this same car from going to the Grand National in Albuquerque last summer. This time however, it was a heater hose. Once the tour at the Ellwood Museum was over I headed straight for the auto parts store and replaced the hose. It appears that the hose had been rubbing on something as it routes under the intake manifold. As I was working on it in the parking lot, a nice guy pulled up in a beautiful '69 Buick Electra to see if we needed help. As I was halfway finished already, we were in good shape, but he offered us something just as good; two ice cold bottles of water! Car people are a great network of people! Once the hose was replaced, we were off the Old School Pizza. The trip home was uneventful. The other heater hose is next on the list of things to replace. Slowly we are getting the bugs worked out. Considering it didn't start or stop when I first got it, I guess we are making good progress, albeit slowly.

This month we have our club picnic at Big Bend Lake Forest Preserve. I want to thank Matt McLinn for arranging the location for us. We have a pavilion to protect us from whatever elements Mother Nature may decide to throw at us. The club will provide hamburgers, hot dogs, brats, beverages, plates, napkins, etc. This is a no cost event (our favorites), we simply ask that everyone brings a dish to pass. In case you are wondering what to bring, just think of foods that go good with a picnic (fruit salad, pasta salad, baked beans, desserts, etc.). Please use the Signup Genius link in this newsletter so that we know how much food to bring. I hope to see all our members and their families there.

Next month I will report on my Grand National adventures in Gettysburg. I'm sure it's going to be a great event.

Until next time, motor on, Fred

Grand National Caravan Opportunity

Driving to the Gettysburg GN?

Want some company? As you know over the past few years, many of us who drive to GN's have driven in groups.

This year, several people have expressed interest in traveling with others to the GN. While we won't fault you if you bring you modern car, traveling in your vintage Cadillac or LaSalle makes it much more interesting.

Based on what I have heard there are people leaving Saturday, the 8th; Sunday the 9th; Monday the 10th and Tuesday the 11th. If you have any interest in being in any of those groups, let me know and I can try to get you in touch with those from our Region as well as members from Indiana and Wisconsin who may be interested in traveling together.

Drop me a line at: a65caddy@sbcglobal.net, with Caravan on the subject line. -- Glenn

Just a reminder...

All CLC regional members are required to be members of the National Cadillac & La Salle Club as well. Among the many benefits that the CLC offers, they carry insurance coverage for all CLC events. This coverage will cover only members in the event that something happens. If you are not a National CLC member, please contact the National office today.

Welcome New Members:

New members (and long term members – notice I didn't say "old") feel free to reach out with your life/car story and photos of your cars. We want to keep our website updated and your car photos are just what we need!

Please remember to carry a couple of West of the Lake Region membership applications (at the end of this newsletter) in your glove box.

When you meet a fellow Cadillac enthusiast, invite them to join our club by handing them the application.

Spread the word, the more members the better!

Hey! What's your story?

Have an interesting story about your car, your life or an event the club might find interesting? Share it with us. We are always looking for features for the newsletter. Don't be shy, share your story. You don't have to be a writer, we have word-workers who can put your words into print. Operators are standing by, contact Tom Orlando today: westofthelakeclc@gmail.com

SENDING OUT GOOD THOUGHTS:

CLC Chief National Judge Bill Anderson's wife Betty passed away at home on May 30th after a 4 year battle with cancer. If you are able, a donation to the CLC Museum and Research Center in Betty's name would be a nice idea. Please keep Bill and his daughter Erica in your thoughts.

A phone call, e-mail or card is always welcome when someone is feeling low, a good thought or a little prayer is nice too.

West of the Lake Region Members and their families spent a Sunday in DeKalb, Illinois touring the Egyptian Theater, the Ellwood Museum and dinner at Old School Pizza.

Clockwise from above: The Egyptian Theater in DeKalb, interior Egyptian themed décor, the view of the stage and wall murals from the balcony.

Construction of the Egyptian Theater began in 1928 just before the great depression as part of a national fascination with ancient Egypt following the discovery of King Tut's tomb in 1922.

When the theater opened, it featured silent movies and live Vaudeville acts, later it showed feature films of the day. In the 1970s, the theater had fallen into disrepair and was given to the city of DeKalb. By 1980, the theater was listed on the National Register of Historic Places and received a \$2.3 million grant for preservation. Of the nearly 100 Egyptian style theaters constructed in the United States, the DeKalb theater is one of only a handful that remain.

If you missed the tour, you will have another chance to see the theater again in December when the theater will screen an original 35mm print of the movie "It's a Wonderful Life". The West of the Lake Region plans an outing to one of the showings. Look for information to come.

Above: The Egyptian Theater. "♪♪ Let's all go to the lobby. Let's all go to the lobby to get ourselves a treat! ♪♪"

Next on the tour was a visit to the grounds of the Ellwood House, built as a private home by Isaac Ellwood, founder of the Barb Fence Company. As you might imagine, the Barb Fence Company made barbed wire fences. With cattle ranches forming in Texas and the western part of the United States, barbed wire became very popular. That allowed Isaac Ellwood to build the large Victorian Mansion now known as Ellwood House.

Above: The Ellwood House exterior.

Left: Living room of the Ellwood House.

The day wrapped up with dinner at the Old School Pizza restaurant. The Old School Pizza restaurant got its name by being located in.....wait for it.....an old school house. What makes the restaurant interesting is their collection of TV, Movie, toy and car memorabilia displayed in the building.

Clockwise from above: Old School building that houses Old School Pizza. Cartoon characters and movie memorabilia fill the restaurant. Cartoon statues in the schoolyard. Scary Tiki Monster and Dan Graziadei (or vice-a-versa).

Reports say that the food was pretty impressive too. Interestingly, Elaine Link recommended Old School Pizza; Elaine also recommended the restaurant for our Spring gathering. Everyone loved both restaurants, so from here on out, before we pick a location for a WOTLR event, it has to be approved by Elaine!

Join your friends from the West of the Lake Region Sunday June 2nd at Big Bend Lake Forest Preserve on Bender Road just south of Golf Rd., Des Plaines, IL (Golf Road just west of the Tri-State Tollway) for our start of summer picnic.

There is a bike path, a fishing pond, plenty of room for yard games (bring your favorites) and a big parking area to show off your cars.

WOTLR will provide the burgers, dogs and plates. We ask that you bring a dish to pass, chips or sweets to snack on.

We have the shelter reserved for the day but plan on being there between 11:00 am and 3:00 pm.

Everyone is welcome; members, kids, wives and girlfriends (but not both at the same time).

**Send an e-mail to Fred Butalla so we know how much food to bring.

Introducing the 2025 Cadillac OPTIQ

The 2025 Cadillac OPTIQ is the electrifying new luxury entry point for the next generation of EV buyers. It features:

- **Cadillac-estimated 300 miles of range¹**
- **Standard dual motor all-wheel drive**
- **Standard Super Cruise² (3-year connected service)**
- **Segment-best in cargo capacity and second-row spaciousness³**
- **An innovative, expressive interior and bold exterior design**

Cadillac revealed the new 2025 OPTIQ, a reimagining of what entry to Cadillac luxury can be. OPTIQ will bookend the EV portfolio while remaining true to Cadillac's brand promise in a competitively priced luxury SUV. It will join the growing Cadillac EV lineup, which also includes LYRIQ, ESCALADE IQ, CELESTIQ and next year, VISTIQ. Building on the momentum of LYRIQ, OPTIQ will launch with several segment-leading features adding to its purpose and distinction.

OPTIQ will have a global footprint, selling in over 10 regions, including Europe, where it debuted this week.

Thrilling yet agile performance

OPTIQ will launch in standard dual motor all-wheel drive form, contributing to a fun and athletic drive experience. The 6-inch shorter wheelbase (compared to Cadillac LYRIQ) results in a more agile architecture.

- OPTIQ includes an 85-kilowatt-hour battery pack with a standard dual motor all-wheel drive propulsion system that offers a Cadillac-estimated **300 horsepower and 354 lb-ft of instant torque**.
- At full charge, OPTIQ offers a Cadillac-estimated **300 miles of range and DC fast charging can add up to 79 miles of range in about 10 minutes⁶**.
- **OPTIQ offers Regen On Demand⁷**, a driver-controlled braking feature that allows the driver to slow down or stop the OPTIQ with a dedicated, pressure-sensitive paddle located on the steering wheel.
- **One-Pedal Driving⁷** allows the driver to slow down and stop the vehicle using only the accelerator under most driving conditions. The system also converts kinetic energy from the OPTIQ's forward momentum into electricity, which is stored in the battery pack for future use.
- A **Dual-Level Charge Cord** allows the driver to plug into an appliance-style four-pronged outlet (professional installation required) or a standard three-pronged outlet.
- OPTIQ gives drivers the opportunity to switch between several Drive Modes, including **Tour** used for everyday driving, **Sport** for enhanced road driving and improved steering, **Snow/Ice** to prevent wheel spin and **My Mode** which personalizes the driving experience with adjustable braking responsiveness and steering feel.

CADILLAC/LASALLE CLUB
WEST OF THE LAKE REGION
MAY 28, 2024
MONTHLY MEETING MINUTES

The hybrid meeting was called to order at 7:37pm by Director, Fred Butalla. The entire board was present.

Treasurer—Dan Graziadei presented the treasurer’s report covering the period April 1-30, 2024.

ACTIVITIES

May 19—The outing was organized by David Schumann and the venue was recommended by Elaine Link. The group went to The Ellwood House Museum in DeKalb. The group then went to Old School Pizza in Malta. During the Christmas season Old School Pizza shows the classic movie “It’s A Wonderful Life”. They also make it snow in the restaurant!!! Dan Graziadei will be the point person for this outing in December.

June 1—Norridge Car Show beginning at 9am.

June 1—Glen Ellyn Historical Car Show.

June 2—WOTLR picnic. Please sign up and let the group know what dish you will be bringing to pass. Maps were passed out for Big Bend Lake in Des Plaines. The WOTLR will supply the utensils, meats, condiments, grills, etc. The festivities are from 11-3pm.

Cadillac Grand National—June 10-15 to be held in Gettysburg, Pennsylvania. An email went out to the region (including Wisconsin) and it was posted in the newsletter. As of today there are 805 people registered, 261 cars, 43 outside flea market spaces. Judges are still needed.

June 22—Crest Cadillac car show in Brookfield, Wisconsin.

Ettleston Car Show—canceled for 2024. It will be held in 2025.

August 10—Patrick Cadillac car show in Schaumburg. David Schaumann is the point person.

July—Movie Night with Snacks. It will be held at the VFW Hall if a date can be secured.

Turtle Wax—Matt McLinn is the point person for this event. Turtle Wax has moved to Lombard. We would like a tour and focus group for late September or early October.

NATIONAL NEWS—Glenn Brown and Michael Rozatti

At the GN volunteers may have to be drafted to be judges. There are 44 cars to be judged by Past Presidents.

The Fall Festival will be held September 27-28 at the Gilmore Museum in Hickory Corners, Michigan. There will be car judging and trophies. This is an all GM event. The theme is “Pink Cadillacs”. Elvis’ pink Cadillac replica is trying to be secured. Dinner will be held at Martell’s Restaurant in Kalamazoo.

The meeting was adjourned at 8:28pm.

THE WEST OF THE LAKE REGION

operates under charter from the Cadillac & LaSalle Club, Inc., and is "Dedicated to the preservation, restoration, and enjoyment of the Cadillac and LaSalle cars."

This region was founded in August of '85 and has grown to over 130 members in Illinois, Wisconsin, and Northwestern Indiana.

We publish a monthly newsletter and hold monthly meetings during the "driving season," March through November.

Our activities include road trips and various shows throughout the area, a winter game night, a family picnic, and occasional special events.

Families are encouraged to participate in Club activities. Spouses and children through age 17 are included in your membership.

For more information, call Ron Schweitzer, Membership Secretary, at (630) 833-3593.

TO JOIN THE CLUB

Just complete and mail the membership application above. Annual dues for the West of the Lake Region are \$20. The National Club dues are \$35 if you want the monthly "Self-Starter" magazine online, \$55 if you want the online magazine plus a hard copy sent to you via first class mail, or \$40 if you want second-class mailing of the magazine. Membership in the Regional Club requires membership in the National Club.
