Summer is here!!!

First, as we have just celebrated Memorial Day, let's take a moment to say "Thank you" to all our veterans who have faithfully served our country and for those that have made the ultimate sacrifice. Thanks to their efforts and dedication, we can all enjoy the freedom that all of them fought to protect. Freedom is not free.

When I first joined this Club and started attending our meetings, I quickly realized that there was a deep friendship between members that had very little to do with our long-standing admiration for Cadillacs. I would hear many stories of members willing to share their time and their skills to help someone in need. And here is one more story. The power seats on my "new" Cadillac were not working. One day, I sought advice from Tom Orlando, who immediately told me that he had repaired many of these seats and invited me to his house. Tom spent several hours removing the seats and inspecting the many components. The main problem was that the plastic housings for these components were literally coming apart as Tom held them in his hands (I'm not sure if he was showing me his "Mr. T" impression or if he had had an extra helping of Wheaties that morning). The new housings could be ordered but the passenger seat was missing a small gear and without that gear, the seat would not work; and that gear could NOT be ordered. As luck would have it, or maybe divine intervention, we found the gear and the bracket for it in the ash tray (Thank you, Robert, for saving those parts.) A week later, I was back in business, thanks to Tom's willingness to spend two very long days repairing those seats. Several attempts to compensate Tom for his help were unsuccessful.

Show season is now here. Don't forget to have some rack cards with you - a perfect way to let folks know about the CLC. Here is a list of events that I am aware of:

- Sun, June 15th - Saratoga Assisted Living, Downers Grove - 12:30pm - 3:00pm
 - Fri, June 20th - Covenant of Batavia, Batavia, 1:00pm - 3:00pm (lunch at 11:30am)
 - Sat, July 12th - Mt Prospect Cruise Night, 3:00pm - 8:00pm - Cadillac Night
 - Sun, July 20th - AACA Annual Car Show, Carpentersville, IL, 9:00am - 2:00pm (entry fee)
 - Weds, August 6th - Cruise Night, Cary, IL, 6:00pm - 8:30pm - Classic "Fin" Night
 - Sat, August 16th - Patrick Cadillac show, Schaumburg, IL, 9:00am - 2:00pm
- If anyone has information regarding additional events, please let me know.

Our annual summer picnic has been scheduled for Sun, June 22nd at Big Bend Lake in Des Plaines. This is same location as last year. Plans are still being finalized, including a serious discussion with our Treasurer Dan as to how much cash we will need for Ron's bail money.

The Grand National begins on June 1st. This will be Fred's first year as our Chief National Judge and we wish him many years of successful leadership in this very important role.

This year I will be showing my 2012 Escalade EXT. Also showing his 2013 EXT will be Jason Edge. I first saw Jason's car in Albuquerque and that car is stunning. He has certainly set the bar high so I will do my best to represent our region.

And speaking of bars - - A pair of jumper cables walk into a bar. The bartender says, I'll serve you but don't start anything.

Enjoy the ride !!!
David Schumann

An enthusiastic group of West of the Lake Region Members and friends spent a Sunday touring the Klairmont Collection on the North side of Chicago. Not only is Klairmont a fantastic place to see cars and have lunch, but they also have quite a bit of memorabilia from the early days of automotive and electronic history. Klairmont is also the new home of the Richard Driehaus Automobile Collection.

The Badger Region usually host the always popular Crest Cadillac Show in Brookfield, Wisconsin, but this year, Crest Cadillac is in the middle of a huge construction project, so the Badger Region has come up with a great one-day road trip to take the place of the Crest Show.

Please RSVP as soon as possible if you plan to attend.

On a recent Saturday, 5 WOTLR members teamed up to help replace the engine on Rich Daniel's 1969 DeVille Convertible. The day turned into a mini car show with a total of 9 Cadillacs in attendance.

You start by taking all the parts and pieces off the top.

Then you get on top of your work.

Take a break for an impromptu car show.

Finally, the new "Flintstones Engine" is ready to roll.

This is what the Cadillac Club is all about, friends getting together and helping each other with our project cars.

2025 marks the 40th year of the West of the Lake Region. Over the past 4 decades, we've gone far and wide to experience everything the car hobby has to offer. This month we go through our photo archives and remember our 2008 trip to Detroit for the GM 100th anniversary celebration, our 2008 Heritage Cadillac Show and a 2009 driving tour that featured our fearless leader, Fred Butalla daring a lion in a show of bravery.

Clockwise from the top: Marilyn Schweitzer and Fred Butalla at the 2008 Heritage Cadillac Show. West of the Lake members at the 2008 GM 100 Celebration in Detroit. Then Director Fred Butalla doing the "lion's share" of the work at a 2009 tour. Jason Yau and Tom Orlando taking a break at the 2008 GM 100 Celebration.

West of the Lake Region member Robert Kravitz is an avid collector of vintage Cadillac Ads. This month, Robert found a print from a photo shoot, likely at a wedding. While the street signs and license plate put this photo somewhere in the USA, the scene and staging could make you believe it was on a street in Paris. Another beautiful photo for you to enjoy from the collection of Robert Kravitz. Thanks Robert!

The cost is expected to be around \$600 each.

Glenn Brown has all the contact information for the members spearheading this project.

This could be the last chance you will have to get your car back on the original air ride, time is short, so act today!
