Thank you Paul Dixon - our Melbourne-based Kiwi member for providing pics of these two fantastic 1973 Caddies you see on the cover to commemorate the founding of our NZ club in that year (Paul took the photos and tells me, more than 800 more, at the recent Grand Nationals in Boston).

So right throughout this issue you will have in front of you copies of actual documents; old club magazine articles and other memorabilia from years gone by.

Recently I spoke with our longstanding President, Murray Scott who is in his 21st year in the chair - what a rein! I asked him about the club during his tenure. Murray tells me the best thing he loves about the New Zealand club is the ongoing camaraderie shared by its members (agree - ed.) The greatest change he has witnessed is the global (in the CLC world) recognition the NZ club enjoys driven in part by our FINZ magazine and the re-branding of the club that has been widely accepted by members. He believes the NZ club has a strong future. Not only is the club financially sound (something that has been achieved over the last 5 years) but new members are regularly coming on board and existing members are still acquiring additional Cadillacs - where finances and space obviously allows! Thanks Murray and thanks for being our leader for over two decades - wow! I wonder how many of our overseas affiliates or chapters have such Presidential longevity?

A little over 3 weeks from now, more than 80 Cadillac enthusiasts will attend (including the biggest overseas contingent ever!) our 40th - the 'once in a forty-year event' that has been 12 months in the making. Event Director, Steve Gill will give his final brief elsewhere in this mag with last minute reminders and suggestions to make your attendance the most enjoyable it can be. And there is still time to register. Simply complete our form, book directly at the Sudima and follow Steve's check list. The count-down has begun!

Recipient of the 2013 Yann Saunders International Activity Award

Above is a terrific picture of fellow Western Australian club members Caddies awaiting to greet us at their Bi-Annual National Event, this time at Margaret River, Perth in April 2014. Organisers Dave and Michelle Batger have penned a great article to tempt you over. I know of two Kiwi members who have booked their accomodation already! (Love the yellow '60 with wide-white walls - awesome looking ride - ed)

As also for 'Auction' and it's our annual fun-auction we have each year and a club fund-raiser and "fun-raising" event! Please bring along something appropriate that you don't want or that you wopuld like to donate. We've had some great items in past years, Elvis and Caddy stuff - last year there was an amazing nearly 2 metre long (perspex?) cut-out of a red '59. So please have a look around and pack something in your bag or car for the event.

Well that's a wrap for this month. I'll be giving my Calais a 'lick n'spit' so we are ready to rumble at the end of next month. I hope to publish the November issue earlier next month so it's 'done and dusted' before the 40th so any contributions should be sent now. Until next month, Ron and PS - Happy travels to our overseas visitors - meet and greet you all soon - ed.

## CADILLAC - LA SALLE REGISTER OF NEW ZEALAND

P.O. Box 38-211, Petone, N.Z.

19.11.73

YOU ARE INVITED TO ATTEND A GENERAL MEETING OF THIS CLUB, TO BE HELD ON 8TH DECEMBER 1973, AT 7.30 P.M. AT 6 CROFT GROVE, LOWER HUTT.

- Business:**
- To ratify what has already been done in forming the Club.
  - To consider reports on progress to date.
  - To elect such officers as the Club members may consider requisite to conduct the business of the Club.
  - To discuss plans for the future.
  - To consider the incorporation of the Club and the preparation of a Constitution.
- General Business.

This Club is now well established - we have a worth-while commencing membership, representing a significant proportion of the owners we have contacted, so we are writing again to those who have not yet done so.

The reason why some owners have not joined is probably due to a number of factors, one of which may have been doubts as to what could be gained from membership.

YOU ARE INVITED TO JOIN ONE OF THE MOST EXCLUSIVE CLUBS IN NEW ZEALAND.

Our Patron is that very well-know Cadillac enthusiast, writer, car historian and world authority Maurice Hendry, author of "CADILLAC - STANDARD OF THE WORLD - THE COMPLETE SEVENTY YEAR HISTORY" which has achieved world wide acclaim as the finest book ever written on this famous marque.

We are also linked with the Cadillac - La Salle Club Inc., of America.

Our Sister-Club in Australia, the Cadillac La Salle Club of Australia, is already established NOW, HERE IN NEW ZEALAND - WE ARE AWAY!

This Club differs from the parent American Club, in that we do not restrict our vehicle listings to those over a certain age. Our members include:

- (a) Owners of veteran and other categories of older vehicles, and
- (b) Owners of more recent and even modern Cadillacs.

We record all Cadillacs and La Salle cars belonging to our various members, and are preparing our first detailed list for circulating to all of our members.

We are also listing part cars and components and one of our functions will be to bring together owners of cars, part cars and components, to facilitate purchase and sale, swapping of items and restoration of vehicles.

Specialist services are also being listed, especially where these are being offered with particular reference to Cadillac and La Salle cars.

Furthermore, a vast amount of technical information, much of it coming out of America in regular illustrated news sheets, is available and we hope to either distribute these to our own members or re-print appropriate material for the benefit of our members if and when we can get permission to do so. We are awaiting a reply on this point right now.

We invite you to forward your membership subscription of only \$2.00 by return, when you will become a foundation member of this exclusive Club, eligible to receive membership lists and lists of cars of this exclusive marque and other information when it is available. In only a short while, when the activities of the Club expand, even greater possibilities will unfold.

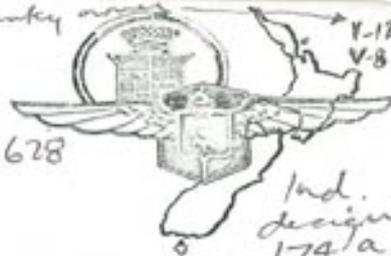

The benefits which you can receive from membership are enormous.

Don't lose this opportunity to become a foundation member.

THERE IS STRENGTH IN NUMBERS - HELP US TO HELP YOU!

Yours sincerely

## RESTORATIONS IN PROGRESS

Les Keeper is preparing a 1923 Cadillac nine seater service coach for Newmans Centennial year. As the photo shows, things are really afoot. The chassis and motor are overhauled and assembled, and a temporary Warrent of Fitness has been obtained. Les is seen on a makeshift seat, ready for a spin round the Vanguard Street yard of Newmans workshop in Nelson. No wonder he is pleased with things so far; it sounded really sweet and ran smoothly when tested. Down in Christchurch, Alan Stanton and his team at Auto Restorations Ltd are facing the formidable task of rebuilding the coachwork. The skills involved in shaping the timber frames for the doors and body just has to be seen to be appreciated. The angles and complexity defy description. But it's just a process of "keeping on keeping on" and gradually order becomes apparent from the apparent chaos. At the moment there is more chaos than order. In fact the bodywork seems little more than a pile of dusty junk on the floor. But to Alan Stanton's trained eyes there lie the patterns that will enable the restoration to be as authentic as possible. There is one thing you might just be able to help Les and Alan with there is no "Air-Oil-Aspe" gauge. No one knows when or where it went but they are really keen to locate one suitable for the 1923 Caddy. The gauge unit is half-moon shaped, and the first part (for the Air) is to show the pressure of air which was used to pump the petrol from the rear mounted gasoline tank way up to the V8 motor. More news as Les and Alan make more progress on their interesting project. Information supplied by Les Keeper.

Above are two shots of Ken Silk's La Salle which is being rebodied as a Phaeton. Ken has the Phaeton Blueprints to work from for his body and has so far got the chassis and scuttle etc beautifully restored. The motor runs as smooth as any modern V8. When this is finished it will be the only La Salle Phaeton in New Zealand and a most impressive car. I understand that Bob Helm also from Nelson is going to help with the woodwork on this car.

The last but not most certainly not least is Bob Helm's 1903 Model A Cadillac. It is very hard to determine where a restoration ends and a replica begins. Bob's car was such a basket case that almost everything has had to be remade copying the old parts and making new patterns. In February 1978 I passed through Nelson and took these photographs (see overleaf), and by May 1978 the chassis was almost complete and assembled, but not quite yet a running chassis. This project has involved an enormous amount of time, determination and most of all skill.

Ready to Roll! Les Keeper at the wheel of the Newmans nine-seater service coach, circa 1923, with a V8 Cadillac purring under where the bonnet ought to be, and Les at the wheel, nostalgia reigned supreme in Newmans workshop. Overleaf, a La Salle is being undertaken. By May 1978 I visited Alan Stanton's workshop with the body completed and awaiting interior trim, paint etc.

## OUR FIRST OFFICIAL RALLY - WHAT A SUCCESS!

Now that the Rally is over, we can honestly say to those who were unfortunate enough to miss out that it was a huge success.

When we planned the rally we didn't know for certain if we would get much or any support from anyone outside the executive. But we decided to hold it and advertise it well, and if no one else came - well we four with our parties would have one hell of a good weekend.

Well, when we lined up at 6 Croft Grove on Saturday Morning there were my own car, being feverishly packed in my front driveway after an evening and early morning of preparation, secretary Dave Jaquery's Eldorado, Phillip Jaquery in another 1962 Caddy, and John Rosevears 1968 Coupe de Ville - just four cars.

I must admit to being responsible for the first hitch. Two hours taken off the previous day, plus the evening, plus early morning were just not enough to do everything to the car, including mounting the American Cadillac La Salle Club badge, refitting a clock and fixing back an instrument panel flap, and all the countless other items that I had especially had to attend to simply because the old girl is an older car and I felt required a rather special check over.

Then - Holy Hell - I realised that Margaret had not used our usual packing list but had relied on her memory, and that it was now too late to dig up the list.

However, at last we were lined up and left in a very small convoy for the Rimetakas and the first stage of our journey.

We made up time on this stage and by keeping at it we were over the summit, down the other side and wasting no time we had about made up lost time before reaching Masterton.

We pulled up outside Majestic Motors, my left wheels promptly dropped into one of those concrete canals masquerading as gutters in that fair city - a few more scratches to the lower extremities of the old girl!

A chat with Ian Hoggard, Jim Paton, Bob Cockburn and Merv Bloomfield who were to join the convoy, and with a reporter who took a few notes; at his request we took off for Masterton Park, where we lined up again and were photographed and filmed before moving off again on the next leg of the journey (The Waikarapa Times later published a photograph of a small part of our line up).

Well, off we went - all eight of us, but Merv Bloomfield dropped out shortly afterwards - he simply wanted to travel with us for a short while, but was unable for other reasons to make the trip right through.

At Pahiatua we picked up another car, Brian Reed and his brother in a 1963 Sedan de Ville, driven by Brian.

Through to Woodville, running a little late, eight Cadillac cars lined up just through the town while we hunted out and found places to fill the inner man. By now our convoy was beginning to attract a little attention.

After some of us gorged ourselves silly - those who felt like doing so - we buckled up our seat belts and, after another spell of chasing each other along the highway we stopped at Waipukurau for comfort.

We had hardly pulled up when we were greeted by an interesting looking bloke in a 1929 Frazer Nash - a small genuine sports car from another age - polished brass and the usual trimmings of a Brooklands veteran - multiple chain drive - one chain for each gear - a real little beauty. The proud owner introduced himself. He very kindly showed us at the local tavern.

A Waipukurau Cadillac - 1954 vintage - Mr I.B.Poole - participated later in the Rally.

## CADILLAC LA SALLE CLUB OF NEW ZEALAND INC. 1973 - 1994

- 21 Years of Spreading 'The Good Word' -

The following is a glance at the history of the CLC (NZ) as seen through the minutes to the meetings of the Club.

Twenty-one years ago, a small group of people sharing a common interest in the world's most well known symbol of success, the Cadillac automobile, decided to form the Cadillac La Salle Register of New Zealand for enthusiasts such as themselves. The Register was to be established temporarily until an actual club for Cadillac enthusiasts could be organised. On 8 December 1973, the Register was renamed the Cadillac La Salle Club of New Zealand Inc. at a General Meeting held at 6 Croft Grove, Lower Hutt.

Present at this meeting were Aubrey and Margaret Fitton, Maurice Hendry, and Ian Hoggard, a disappointingly small turnout despite considerable effort spent contacting the 25 Register members and a number of prospective members to inform them of the event. However, the decision was made that the meeting should proceed.

During this meeting it was resolved that the club should become a member of the American Cadillac La Salle Club, not a region, and that unlike the American club which only accepts cars that are over 25 years old, the new club would welcome Cadillacs of all years as they are all a rarity in this country.

On a lighter note, 2 April of the same year saw the instatement of Len Southward, founder-owner of the world-renowned Southwards Car Museum in Paraparaumu, as an Honourary Life Member.

At the 4th AGM held on 23 October 1977, the election of a new President proved to be rather difficult when after three voting ballots, the two nominees for the position, Ian Hoggard and David Jaquiere, were still tied. David eventually 'won' the position when it was decided that the new President's name should be drawn from a hat.

Rumours of a proposed club trip to the United States for those members interested surfaced in 1978. The six week tour would visit Cadillac collections and other places of interest and was scheduled for around the start of the new decade. This plan was to be later postponed until the mid-1980's and then cancelled because of a lack of interest. The idea was to be resurrected in 1991, but was called off yet again in early 1993 for similar reasons.

Another idea that never made it past the drawing-board was the plan to produce an annual club calendar featuring members cars and to begin with the 1981 year, an idea that proved to be too expensive.

A draft constitution for the club was prepared, based on that of the Jowett Car Club of New Zealand (Inc.). The new club's rules were registered on 30 January 1974.

Once the club was up and running, it was decided, at the 2nd Annual General Meeting in 1976, that the club should hold a rally to give it's members an opportunity to socialise and to display their cars to the public. The first Cadillac rally was initially scheduled for Easter Weekend 1976 at Kennedy Park in Napier. However, this plan was to be cancelled when it was discovered that, due to the multitude of Easter activities held that weekend, accommodation would have had to have been booked 18 months in advance.

Arrangements were made to reserve the same venue for Queen's Birthday Weekend later that year, and the resulting rally was reported to have been "successful...[with a] keenness of all those present to repeat the experience." A second rally was immediately planned, beginning a tradition of memorable, and sometimes scandalous, club social gatherings.

Some of the more interesting member suggestions made over the years concerning these rallies included making the club meets more active with such activities as driving skills competitions, the proposal of two-way radio communications between cars in convoy, and the recommendation that members' attitude, dress, and general behaviour be of reasonably good standard when displaying the cars in public.

All was not fun and games, however, and the club experienced an unstable period with internal turmoil developing between some members in 1977. Due to personal differences with the club's executive, a number of Auckland members had boycotted the rallies, and were threatening to resign and form their own club in opposition to CLC (NZ). Fortunately no such move was made.

21

Still being racked with personal clashes, the club almost met it's demise towards the end of 1981, but was miraculously nursed back to health by late 1982.

On 23 October 1984, Maurice Hendry, author of the "Cadillac - The Complete History" books and one of the club's founding members, became the second person to be awarded Honourary Life Membership. Alan Stewart was also to receive this privilege, but there is no mention of this in the minutes.

The following year, Maurice donated a trophy to the club, in the form of a Cadillac Crest mounted on a wooden base. The trophy was to be presented to the member whose car gained the most points in a "People's Choice" ballot, with the first winners for 1985 being the MacKays' '73 Coupe de Ville and the Soons' '59 Coupe de Ville, a draw at six points each.

**NOT MANY SLEEPS NOW!**

## The COUNTDOWN has began!

Hi there CLC members and enthusiasts world-wide **LATEST UPDATE from Steve Gill, 40th Anniversary Event Director** [cornandpeas@xtra.co.nz](mailto:cornandpeas@xtra.co.nz)

> At time of writing we have 85 registrations - BUT WE NEED MORE!

We have 27 Caddies registered and would love more of yours too (bring more than one)!

I have just received an exciting email from the ice people at Meguiars - the care shiny car people! In part, they write:  
"Thanks for your sponsorship request for the 40th Anniversary of Cadillac La Salle Club of NZ Inc. I am pleased to tell you we are keen to jump on board with this one. We would like

to offer you • 40 x Meguiar's Goodies bags and • 1 x Gold Class Kit . In return we ask that we can have a couple of banners on display; a mention as the prize sponsor, a small blurb about the event and some photos which we can share on our Facebook, and website pages. We wish you all the best for your event and look forward to seeing some photo's.

I've included the link to our Ultimate Shine Competition maybe some of your club members would like to enter to win some fabulous prizes and bragging rights of course! <http://www.meguiars.co.nz/competition>. We have a grand prize up for grabs – the winner will be given the title – New Zealand's Ultimate Shine for a start, they will also receive \$1000 cash, a magazine write up and a huge Meguiar's product pack, so being the face of Meguiar's for the next year will be as easy task! As well as this we have two runners up prizes of \$250 worth of cash and Meguiar's products up for grabs". Kind Regards, Joanne Clark

Would'nt it be great if a Caddy won, given our 40th? Thanks to Blair and Sonja Mead for making this happen - good on yer guys!

By the time you read this the 'Event team' will have 'signed-off' their final arrangements for our 40th. It is worth mentioning the following again so you can either print out this page or bring along you in case of snail mails.

1) Cost of your nibbles on the (first) Thursday evening is being picked up by the club. The 'trade-off' is that you will need to pay for your own lunch on Saturday - we won't say in what town this will be (yet) but let me assure you, there will be ample choice catering to every taste I'm sure

2) Please bring something that is 'red, white and blue' in colour to wear on the Saturday (main event) evening. You can choose to wear fancy dress; formal bow tie and tux or t-shirt and shorts, just so long as it is 'red, white and blue' - (I am sure our American friends bringing any additional 'stars and stripes' flag shirts or custom wardrobe will find plenty of NZ takers to buy them from you!)

3) Please bring plenty of battery power for your digital cameras or i-pads as there will be lots of amazing NZ country-side for you to photograph and admire

4) Email-forward your special 40th t-shirt orders (as per above pic). Polo shirts will also be available. Please email your requirements and sizes (can be as big as 5-XL) to me and I will pass them on to Blair and Sonja to prepare and liaise with you or email them direct: [sewhot@xtra.co.nz](mailto:sewhot@xtra.co.nz)

**>>Overseas guests: A number of you have already made arrival arrangements be it your own rental car; camper van or to meet fellow members and be 'Cadillac-driven' to Rotorua. Please contact us at your earliest opportunity and let us know if you need to be met and brought down. We don't want anyone left behind or worrying about what to do in what maybe a strange country for you. We want you to feel welcome and we are indeed glad to see you come join us. Email me today - Steve at [cornandpeas@xtra.co.nz](mailto:cornandpeas@xtra.co.nz)**

**>>EVERYONE please dig out the old unwanted Cadillac, Elvis, other old car or memorabilia to bring along to our 'Fun Auction'. The annual fun and fund-raising auction will be held on the Saturday night NOT at the AGM**

**>>Regional Delegates - please pack and bring along your 'banana' Cadillac club flag. We want them flying wherever we 'park up' to raise public awareness and foster new membership. We will have membership forms and flyers on hand. Please READ a separate email being sent to you**

**>>What to pack/ bring along:** Here in NZ, spring started a month early on the 1st August due to the warmest winter in a century according to the climate boffins. Temperatures in different parts of the Bay of Plenty can vary up to 5c. Bring a mixture of warm clothing and cool; good walking shoes; sun hats and sun glasses; ton's of enthusiasm and a relaxed acceptance of the way we do things here in NZ. Your Kiwi members will be here to make sure you have a great time with nothing to worry about. Overseas guests can make their payment at registration. Kick back and relax - we are looking forward to driving you here, there and everywhere on tour. Bottles of Duty-free 'Glayva' gratefully accepted and consumed in the evenings - a traditional NZ Cadillac night-cap!

I am here at the other end of my email, ready and willing to help answer any question you have so please don't hesitate to contact me.

My thanks to my tireless team of workers who have been doing many, many things to put together one heck of an event. Thanks to: Blair and Sonja; Lois and Graham; Kevin and Christine; Gavin and Barbara; Kay and Dave and not forgetting my dearest Carole - our "iron-lady" who gets things sorted! And thanks to Ron for the communications. See you all soon!

Rotorua is the place to be in 'Twenty-one-three!'

As always, 'we are easily satisfied with the very best!'

Regards – Steve Gill, Event Director [and Bay of Plenty Area Delegate] - 40th CLCNZ Celebrations [cornandpeas@xtra.co.nz](mailto:cornandpeas@xtra.co.nz)

**Marines @ Mahia 25th - 28th October 2013**

The New Zealand Military Vehicle Collectors Club is organising an event called 'The Marines @ Mahia'. This is to celebrate the 70th anniversary of when the US Marines landed on the beach at Mahia - Hawkes Bay. The Marines carried out their practice landings in their island hopping campaign across the pacific to fight the Japanese. Sadly most of them lost their lives. There will be a plaque for the US Ambassador to unveil along with military parades, vehicle displays and rides. There will also be an area for American cars to park to be displayed. The organisers would like to invite you to attend, so for more information check out the flyer on our website:

**The NEXT big event to strive towards is Perth in April 2014. Here is a special feature that we are happy to promote on behalf of our Western Australian members. I know of two Kiwis who have booked their accomodation already! Love that yellow '60 - ed.**

Hi Ron. We have done up a 3 minute Power point presentation on our event. I will bring it with me to NZ. I have also found what I hope is a suitable item for your auction night (cool - ed). Looking forward to your event, Dave & Michelle - Dave Batger, President - Cadillac LaSalle Club of Australia (WA) Region (+61) 401 100 288

The Western Australian region of the Cadillac LaSalle Club of Australia will be hosting the 2014 Cadillac LaSalle Nationals in beautiful Busselton, Western Australia over a six day period from 9th - 14th April 2014.

The event will incorporate Driving Tours thru the South-West scenic areas such as Margaret River, Yallingup, local wineries and other tourist attractions, coastal area tours as well as social functions, and a Show and Shine Day. There will be other activities like seminars, Drive-In movie nights, museums and free time to explore Busselton and the surrounding wine growing region. Accommodation will be at the Host Hotel, for which the Committee has negotiated excellent rates with the Bayview Geographe Resort complex located on the Bussell Highway, just a few short miles to the City Centre and fronting the beautiful white sands of Geographe Bay, and the Indian Ocean.

The Busselton and Margaret River region has been a holiday mecca for locals for a long time. It's a great place to visit and we hope you will make a holiday out of your time with us. For some, it's a once in a lifetime opportunity, and to experience Western Australia's unique offerings is a must-do. The Nationals Committee has received wonderful support from the City of Busselton, the Geographe Tourist Information Service, the respective Government Departments through Local, State and Federal political representatives.

The City of Busselton is striving to make the City the "Events Capital" of Western Australia and is totally cooperative with assisting committee members with the event, facilities and helping put in place our Show and Shine day to be held at Busselton's Signal Park near the longest jetty in the Southern hemisphere.

We would like to invite you to our 2014 Australian Cadillac LaSalle Nationals and to our wonderful State of Western Australia – Experience the Extraordinary!! More information and the registration application form can be found at <https://sites.google.com/site/2014cadillacnationals/home> . Please feel free to contact me direct if you have any questions or require further information.

Dave Batger - WA Region and 2014 Nationals President [58cadillac@inet.net.au](mailto:58cadillac@inet.net.au)

Dave and Michelle will be mingling amongst us to promote the good times and adventures that will be staged at Margaret River next year. Please make them feel welcome to our 40th - ed.
