2013 CHRISTMAS DINNER

photos by Lifer

Thank You All So Much for attending the wonderful 2013 North Texas Region Cadillac & LaSalle Club Christmas Dinner. We had sixty guests that all seemed to enjoy the fun, camaraderie visiting, lots of gifts, and a very good meal. George Smith installed your new 2014 Board who is now ready for all suggestions and assistance to make this year the best and better. Mark Kenning presented the Nola Kenning award to Debbie Overby, who worked the Pate Swap Meet, attended events, and wrote an informative article for the newsletter. Congratulations!

Wade Wallace- who helps supports the club with a business advertisement- presented through a drawing, a bottle of Firestone Wine to Mark Kenning. A big supporter with a half page ad -John Foust - received the award for securing the most members for the club. Several of your board members donated some gifts and money for disbursement at the Christmas party. All attendees were fortunate this year to receive a gift.

NTXCLC has had a variety of events that our membership has participated in. So get ready for 2014. We are the host club for our INTERREGIONAL MEET this year.

WE are pleased to report that we satisfied the National CLC requirements that a 100 % of our members are also national Cadillac & LaSalle members. BUT WE NEED MORE members in our club. So I am charging each one of you to seek new members. Ask the places that you trade and shop with to buy an ad in the monthly newsletter. These ads help defray the cost of our newsletters.

We also want to thank the owners of the beautiful cars parked inside for our enjoyment and to oooh and ah over. David Eckberg drove his gold 1939 LaSalle Business Coupe, Jim Hanson provided his red 1993 Allante, and Gerry Terranova presented his pretty Bronze 1984 Seville. These added a special touch in making our 2013 go out with a BANG.

Love You ALL

NOTES

From John Foust to the members of the NTXCLC:

Donna & I are very active in the Elks Lodge, Denton, Tx. God has been good to us and I was led to the Elks for a reason. That reason was to give back to those in my community through my work with the Elks. We do a lot of charity work in our community. We had a large fund-raising event Saturday night before the NTXCLC party. We had been working on this event for weeks. We were both drained after like you are after Pate. The Christmas Party was the last thing on our mind. I am so sorry that we missed the party, but I hope you understand why. I have other friends that ask the same questions that you asked, "What happened to you guys?" We just seemed to drop out of our old life and into the Elks. I will try to make some events this year. I really miss you guys but I think I am doing the right thing. The Cadillac LaSalle club was my life from 1984-1998. I went to every Grand National; I was a national director for the Texas area. I was president of the North Texas region in 1986. Before that I had served as director of activities, treasurer, secretary, newsletter editor, and as vice president in 1985. Chairman of the Grand National meet 1986. Donna and I led six different committees for the 1996 Grand National; Site location, Public relations/advertising, Tours/shopping, Security, Placement of show cars. Tee shirts sales. Sponsorship/fund raising/awards. That was then. Now I see myself as a retired elder statesman in the world of Cadillacs. I love to attend events where the cars are the most important thing. That is why I plan my yearly vacation around the CLC Grand National meet. I do enjoy seeing the people, old friends. Many of these friendships go way back to my early days with the club. However, The cars will always be my main focus. That is why I joined this group all those years ago. Just remember my old famous saying; "Old Cadillacs Never Die, They Just Grow Fins" So do not cry for me, just imagine me working for the poor of Denton through my association with the Elks. I hope this explains most of it.

My love to you, always, John

Texas Vietnam Heroes

Story by Rubye Musser, Photos by Lifer

On a beautiful balmy Saturday, January 24 our tour at the Cavanaugh Flight Museum, Addison, Texas, Honoring the Texas Vietnam Heroes Exhibit, was a superb outing. Thanks so much to Gerry Terranova for discovering it and suggesting we plan this for our January activity. All attending members enjoyed every minute of the 2 1/2 - hour special tour.

Retired Air Force Bill Wait, our very astute, knowledgeable, outstanding, well-versed tour director walked us through five hangers of aviation history, explaining the different planes used during the wars. He has flown some of the planes, and as a volunteer, and as a maintenance office has worked on them too. Mr. Wait worked at Bell Helicopter which had built some of viewed planes.

Bill Wait

The Texas Vietnam Heroes touring exhibit personalized a tribute to the 3,417 Texans who died while serving in the US, Armed Forces. The exhibit included individual personalized dog tags embossed with the name, rank, branch of service, date of loss and home of record of each man. There are also black tags representing those Texans who are missing in action. Nearly one third of Texans killed in Vietnam died in 1968, with Houston having lost the most --356 citizens. A monument is to be installed on the northeast side of the Texas Capitol grounds in Austin during March 2014. The touring exhibit will travel to Corpus Christi and then be placed permanently in Austin.

Those NTXCLC members attending included Richard Smith and Karen Hunter from Fort Worth, Nick Terranova from Fla, Bill Ische, Ron Fishell, Neil Jefferson, Pauline Johnston, Virginia Andrews, Sonnie Graham, and Rubye Musser. Our Veteran Honorees were Gerry Terranova, Terry Graham, and Bill Levy. We had an excellent educational tour today. Again, thanks so much to Bill Wait for the wonderful and outstanding tour. And thanks, to all for coming.

3,417 Dog tags represent the Texas Military members that gave their life for American Freedom.

Bill Wait explained the various aircraft and engines to the NTX attendees. The displays covered WW1 to post Vietnam.

Obituary

George C. Nilan Jr., born March 20, 1931, has passed away December 12, 2013. He was very active for many years but lately his health has prevented him from being with us. He drove a 1964 greenish Cadillac Coupe Deville that he inherited from his mother. He also showed his car at the Cruise for a Cure several times. He worked and volunteered at Baylor All Saints Hospital for many years.

A Memorial service will be conducted in January to celebrate his life, but no date at this time. Donations may be made to M.D. Anderson Cancer Center

Please go to Star Telegram Obituary and the Dallas Morning News Obituary to sign the memory books. We will and have been missing George Nilan at our functions.

There are 17 car clubs that manage the Pate Swap Meet each year. If every member of the North Texas Region Cadillac & LaSalle club recruited just one new member each, we would be the biggest club in the swap meet. Remember, the member count, beside meaning a more fun and interesting club, gets the club a bigger share of the Pate income.

Mildred Krietzer, Gentle Giant

If you tried to add up all of the (North Texas) Cadillac LaSalle club and AACA events from the last twenty seven years the number would total close to seven hundred. I consider myself very fortunate to have seen Sam and Mildred Krietzer at most of those meets that I attended until health reasons kept them at home these last few years. Sam and Mildred were always positive, cheery and happy to be around their friends. Ever quick to volunteer they both enjoyed helping out. Sam liked to tell the jokes. Mildred was his "Straight Man". Sam was the milk and Mildred was the cookies. We all will miss Mildred so much. My heart goes out to Sam and the Krietzer family.
