## Regional Director's Letter, Spring 2014

A great time was had by all at this year's holiday party at the 121 in North Salem. If you were not able to make it we have many more events planned for this year. The calendar of events has changed a little since the winter *Sabre Wheel* so please take a look at the club calendar later in this newsletter.

One big event to be mindful of is the 2016 National Driving Tour, which our region is hosting. At the holiday party I handed out a copy of the 2007 CLC National Driving Tour DVD. I did this so the members that were not with us in 2007, when we last hosted the event, can see what a great time we had then, and what to expect. If this DVD has not made it to you yet, please let me know so I can add you to the mailing list. Even if you did attend the 2007 event and you want to see the DVD again just let me know. It is not too early to start thinking about places we want to visit. Tour days should offer a good mix of automobile and machinery related stuff, scenic roads, and your typical tourist destinations.

At the holiday party we also voted-in the slate of new and returning officers. Here is the lineup: George Huse, National Director, Dave Rubin, Regional Director, Henny Karreman, Assistant Regional Director, Ray Schuman, Treasurer, Shand McHale, Director (membership) and Newsletter Editor, Alyda Karreman, Director and Webmaster, and Ted Kadala, our newest Director. Thanks to all who are stepping up to help lead the club.

The 6<sup>th</sup> Annual Inter-Regional meet was a wash out. 17 cars were registered for the meet, and luckily we had some sponsors, so we basically broke even for the day. Thanks to Fusick Automotive Products for sponsoring the trophies. If you need any Cadillac

parts please take a look at Fusick and let them know you saw their name from our show. Thanks to Sue Silverman for donating the Pepe Cadillac T-shirts. Everyone likes free T-shirts. Also thanks to the Shand McHale for bringing waters to the meet, and for Elsa and Frank Jr. from Cadillac Parts and Restoration for donating a substantial gift certificate as a door prize. Since we had such a small turnout I did not use it – I am going to suggest they donate it to the CLC Museum auction in July.

Getting back to the calendar, our region is blessed with many members who want to plan events and even host them at their shop or home. Thanks to Frank Mirra, George and Toni Huse, and Sam Gentile for those offers, and thanks to John Tembeck for arranging the tour of the John Cory collection. There are a lot of Saturday events, which is not intentional. In the fall we have a bunch of Sunday events to attend, such as Southbury and Mills Mansion. We also are planning a Cadillac night at Bear Mountain this summer. Alyda, our webmaster, is going to kill me after she spent so much time updating our awesome website with the prior calendar, but it is worth it. We are going to have a great year!
